CITY MANAGER FOR DALY CITY?

Mayor Blasts County Tax Set-up

COUNTY LIBRARY TAX LEVY YIELDS $4,500 WE GET ONLY $600

City Proposes To Operate Library With City Taxes

Taking united action to lower county taxes and at the same time obtain better county facilities in the northern county, the North County Council met at Club Casino in Daly City last Thursday in a regular bi-monthly meeting. The council is composed of mayors and councilmen from Millbrae, San Bruno, South San Francisco, Colma and Daly City.

Presiding at the meeting was Mayor Paul Green of Daly City, who declared that San Mateo county gives far less in services than it takes from northern residents in the form of taxes.

Green urged north county cities and unincorporated areas to closely analyze their county tax bills, and stated that they could probably find ways to reduce the county tax levy. As a case in point, the mayor said he had made several trips to Redwood City, with Councilmen A. J. Gaggero, Ed Mooney and Fred Bertetta, to investigate a county tax item of .073, levied on all Daly City property for "county free library" participation.

"The investigation shows," Green said, "that the .073 rate yields the county about $4,500 in revenue. Of this amount, the county returns only $600, partial salary for an assistant librarian, to Daly City.

"As a result, we are being milked — we'd be better off to operate the library completely by ourselves. So we propose to have the county discontinue that .073 tax item, thereby saving Daly City residents $4,500 in direct county taxes, and we'll absorb the $600 in our own administration."

Daly City is also investigating a county tax levy of .1834 in the Colma Sewer Maintenance District, part of which lies in Daly City. Preliminary investigation demonstrates that this rate is much too high for required needs.

Present at the meeting in the role of principal speaker was Dr. Harold D. Chope, county health director. After presenting a talk on general public health practices, Chope admitted that ambulance and hospital facilities in Daly City and South San Francisco were not adequate. He declared he was making a survey which would not be completed until July 1.

The council unanimously passed a resolution asking the board of supervisors to set up a fund in the 1949-50 budget for better ambulance facilities in northern San Mateo county, and gave Dr. Chope a letter from the South San Francisco Manufacturers' Association, vigorously supporting the stand of the North County Council.

Other cities promised to follow the lead of Daly City in analyzing component parts of the county tax rate, to force reductions in each city, wherever possible.

Present at the meeting were Mayor Paul Green and Councilmen A. J. Gaggero, Ed Mooney, Fred Bertetta and City Attorney Frank B. Blum of Daly City; Mayor Leo Ferko and Councilmen Adolph Sani, Victor Boido and Emilio Cortesi of South San Francisco; Mayor Ed McGuire and Councilmen Don Risso, William Maurer and J. J. Murphy of San Bruno; Mayor James Kilpatrick and Councilmen Frank Oehm and William Leutnegger of Millbrae, with Councilman John Coleman representing Colma.

Druids To Hold Annual Dance

Olive Grove 116, United Ancient Order of Druids, will hold their annual dance on Saturday, May 14, at Colombo Hall, Colma. Music will be furnished by Johnny Dell's orchestra.

Madeline Fellows Installs Officers For The Druids

Past Grand Arch Druidess Madeline Fellows was the installing officer at the installation ceremony of Hillcrest Circle No. 143, United Ancient Order of Druids, held May 9 in Masonic Hall. She was assisted by Grand Trustee Grace Hill.

New officers are Mae Milo, past arch druidess; Jessie Hutchinson, arch druidess; Dolly Brush, first bard; Marie Miller, second bard; Eleanor Cameron, conductress; Evelyn Hutchins, assistant conductress; Lorraine Todhunter, inside guard; June Leone, outside guard; Grace Hill, recording secretary; Evelyn Bosky, financial secretary; Janet Marsh, treasurer; Greta Owens, organist; Mae Baker, Winifred Evans, Eleanor Margraff, Martha Wegner, Anne Ingersol, Margaret Miller, auditors; Anne Cerf, flag bearer; Audrey Cook and Florence Young, flag escort; Clara Poket, right supporter to the arch druidess; Mary Crane, left supporter to the arch druidess; Hazel Keagle, right supporter to the first bard; Audrey Code, left supporter to the first bard.

Organist for the evening was Mrs. Mattie Kelly. Mary Conti was chairman of the refreshment committee. Italian spaghetti was served.

Mother's Night For Bethel No. 26

Bethel No. 26, International Order of Job's Daughters, held their annual Mother's Day ceremony with California Chapter Order of DeMolay at Albert Pike Memorial Temple, 1859 Geary street, Sunday, May 8.

The Bethel will hold their Mother's Night Friday, May 13, at 7:30 p.m. in the Mission Masonic Temple. All members of the order are invited to come and bring their mothers.

WELCOME TO DALY CITY

New Families moving into Daly City recently include:

James Matteucci, 191 Thiers street.
Harry A. Helgoth, 346 Irvington street.
Q. A. Moffie, 44 Werner avenue.
Robert G. Brown, 196 Thiers street.
Bob Wood, 201 Park avenue.
Benjamin M. Ruelas, 207 North Park avenue.
Jess C. Ledford, 178 Thiers street.
Kenneth Chapman, 211 Los Banos avenue.
E. I. Tomlinson, 241 Station avenue.
W. C. McAllister, 14 Partridge lane.
Charles D. Morgan, 190 Thiers street.
Howard Sawyer, 768 San Diego avenue.
Charles J. Hansen, 171 Knowles avenue.
Harvey J. Wilcox, 214 Evergreen avenue.
John Kennedy, 373 Bellevue avenue.
A. Zachary, 1051 Hanover street.
Joseph V. Berolla, 299 Frankfort street.
William Bradshaw, 141 E. Vista avenue.

Home From Vacation

Mr. and Mrs. Irwin Cameron of 138 Vista Grande avenue, had just returned from an extended vacation to Palm Springs, Los Angeles, and Long Beach.

They were accompanied on the trip by Mrs. Dorothy Stewart and their three children, Carolyn, Bunky, and Judy Ann.

DALY CITY WOMAN IS WINNER OF INTERNATIONAL CONFERENCE AWARD

Word has just been received by Mrs. Edward Gould, girl scout executive of Northern San Mateo County Girl scouts, that Mrs. Hilda Heagney of 117 Miriam street, Daly City, has been awarded a competitive scholarship to the International Conference to be held at the Edith Macy Training School in New York, August 21 to September 2, 1949.

Mrs. Heagney was selected from among many applicants from the United States, and was chosen by a special committee of the Girl Scouts first in Region XII, California and then in New York. Region XII comprises California, Arizona, Utah, Nevada, Pacific Islands. The basis for her selection was from the standpoint of personal qualifications as well as from creating a well represented group from this country. There will be an equal number of delegates from other countries who are members of the world association of Girl Guides and Girl Scouts.

Mrs. Heagney was nominated by the Federation because of her long and enthusiastic association with the local groups. She is at present the leader of a Girl Scout Troop in Daly City, Juliette Low Memorial Fund Chairman for her own council and chairman of the Area Finance Committee of the Federation. Mrs. Heagney joined the Girl Scouts in 1943 and has served as a counselor in both Day Camps and Established Camps for several years. She is the mother of a Girl Scout.

Camp Edith Macy is well known as a Training Center for adults in Girl Scouting and is located near Pleasantville, New York. It was opened in 1926 with the first world wide gathering of Girl Guide and Girl Scout adults. Juliette Low, the American founder, was present at this eventful ceremony. Her death soon after was the reason for establishing the fund known as the Juliette Low World Friendship Fund. The proceeds from this fund are used to foster international understanding and Mrs. Heagney's scholarship will come from this fund. The Girl Scouts themselves contribute the pennies to build the fund.

Plans for Mrs. Heagney's participation in the conference as well as bringing it back to her own Region are already in motion. The honor of this award is reflected in the pride of her coworkers.

COUNTY GROUP SEEKING "ECONOMY" ASKS ANNEXATION OF SAN MATEO, MARIN COUNTIES TO SAN FRANCISCO

Organization of a group seeking annexation of San Mateo and Marin counties to San Francisco county was taking shape this week.

The goal of the new organization was announced to be "integration of the city and outlying counties into one great community."

Incorporation of the three counties, and possibly other nearby counties, would result in economy in government, greater value from the tax dollar, and greater courtesy from government employees, the new group claimed.

San Mateo county is represented in the group by Claude Hirschey, vice president of the San Francisco bank and in charge of its Burlingame branch. He is a former mayor of San Mateo.

Following is the slate of officers:

President, Herbert C. Kaufman, judge on the superior bench in San Francisco; vice-president, Cyril Magnin; secretary, Matt Dooley, a San Francisco attorney, and treasurer, Maurice Moskowitz.

Magnin, prominent San Francisco merchant, said that "one of the first steps toward consolidation should be the proposed Bay Area Transit authority, which would unify transit systems." He proposed to include Alameda county under this authority.

County executive Peterson commented this week that he was against amalgamation of San Mateo county with San Francisco, although he was in favor of eventually establishing a city and county of San Mateo.

Mayor Elmer E. Robinson of San Francisco said he has received a letter from the Taxpayers League of San Mateo county which stated that the league was considering giving its support to a movement to unite the two counties. The San Mateo organization asked Robinson for data on what course to follow for amalgamation. The San Francisco mayor said he would send any surveys he had on the subject, and would welcome consolidation.

CONCERT ASSN. CAMPAIGN WEEK STARTS MAY 23

Campaign week for the Daly City Community Concert Association will begin Monday, May 23, Elman Rose of the association announced today. The group met Wednesday night to make plans for the campaign, choosing Mrs. Claude Hanrahan as campaign chairman. Headquarters will be announced soon.

Preceding the soliciting of members, a Dutch supper will be held on Sunday, May 22, at 6 p.m. at the Broadmoor Community Center. All chairmen, workers and sponsors are invited to attend. Arrangements should be made by calling Mrs. Arlene Blanco at JUniper 5-3971. Mrs. Blanco is in charge of the free campaign supper and is being assisted by Mrs. M. Pauline Brown.

Price of membership this year will be $5 plus tax, as it was last year. Goal of the committee will be 800 members, which will enable them to have four or five concerts. Last year the group presented three concerts to 500 members.

Another meeting of the association will be held at 8 p.m. next Wednesday, May 18, in the city hall. All those interested in the concerts are invited to attend.

Hot Dog Sale At May Day Festival Proves Successful

The General Pershing P.T.A. hot dog sale at the May Day Festival at Jefferson high school was a notable success. Seven hundred and thirty hot dogs were served to the hungry May Dayers, in orders from one to 10 at a time. The soft drink concession run by Crocker P.T.A. in the same booth added to the convenience and satisfaction of our patrons. Thank you, May Dayers, for being such good customers.

Here are the people who did the work, and thanks to them, too. Messrs. D. C. Gensel, James Jorden, George Freeland, Irwin Schmidt, Ed Nenstiel, James Snell, district superintendent, and Jack Cooper, a school boy.

The first five men set up the booth early Sunday morning and Mr. Snell and Jack Cooper assisted in the booth. The work of all was needed and is appreciated by General Pershing P.T.A.

The ladies who assisted were Mesdames Ed Nenstiel, John Eason, Robert Poole, R. I. Lowry, D. C. Gensel, with the loan of thermos jugs and equipment for keeping the hot dogs hot. Thanks for the use of these very necessary utensils.

Those who worked in the booth were Mesdames George Freeland, Lyal Ingersoll, A. S. White, Ed Nenstiel, and E. K. Whinnen.

Thanks to these women and all who helped in any way to make General Pershing's May Day hot dog sale a big success.

Lorraine Schneider Elected Chaplain

Old Glory Post 2044 Auxiliary of Veterans of Foreign Wars was honored at the San Mateo-Santa Clara County Council May 7 when their junior past president, Lorraine Schneider, was elected to the office of chaplain for the ensuing year.

Ethel Dorn was the installing officer, assisted by Ruth Brulez and Lorraine Schneider. Others assisting from Old Glory were Bonnie Ellenwood, Eleanor Hatt, Mae Fitch, Mary Conti, Marjorie Johnson, Clara Poket, Nellie Jensen, Elizabeth Sorrensen, June Willey.

CCPT Luncheon Is Scheduled May 19

Installation luncheon of Seventeenth District California Congress of Parents and Teachers will be held on Thursday, May 19, at 12:30 p.m. in Kloss Hall of the Congregational church, Tilton avenue and San Mateo drive in San Mateo.

Mrs. B. D. Ralston, state high school service chairman and a past district president, will conduct the installation ceremony. A short business session with Mrs. J. M. Foley, president, presiding will follow the luncheon. Reservations for luncheon may be made with Mrs. M. H. Richards or Mrs. Charles Bersinger.

Lady of Perpetual Help Will Have Sacred Novena

Solemn Novena in honor of Our Lady of Perpetual Help will be conducted by Rev. Parnell J. McCarthy of Diocesan Mission band at O. L. P. H. church, 60 Wellington avenue, from Sunday May 15 to Monday, May 23.

Masses will be held at 6:30 a.m. and 8:30 a.m. week days and 6:30, 8, 9, 10:30 and 12:15 Sundays.

The Novena Devotions consist of hymns, prayers and a sermon, special blessings, and Benediction of the Most Blessed Sacrament.

Confessions will be held each morning before mass and each evening after the devotions. Solemn Close of the Novena will be at 8 p.m. Monday, May 23.

Judge Orders Buildings Moved

A mandatory injunction ordering Fredericko Mutto to move his buildings at Station and School street was issued last week by Judge Aylett Cotton. The two buildings are encroaching 5½ feet on the property of Mary Viacchino. The plaintiff brought the matter to court when Mutto refused to move the buildings.

The two buildings must be moved within 60 days. Viacchino was represented by Thomas L. Bocci.

LOCAL SCHOOL SITE MAY BE USED FOR CITY ADMINISTRATION BLDG.

PENINSULA CITIES BEGIN ACTION TO ABOLISH TRACKS

San Francisco has not yet made any definite statement of disposal of its right-of-way and car line tracks on the old No. 40 line here, which led several county communities to take action on their own.

The city of San Mateo began unofficially calling for bids to determine the cost to that city of tearing out tracks, poles and overhead wires. City Attorney Arthur Harzfeld had launched an investigation seeking legal right to bill San Francisco for the expenditure.

That action had been taken in anticipation that San Francisco may ignore the May 30 deadline for removal of the tracks, etc.

Meanwhile, Burlingame has authorized issuance of an ultimatum stating the city would take over the abandoned No. 40 car line right-of-way by July 1 unless San Francisco removes the rails by then.

Rev. J. H. Bennett Announces Subject For Sunday Sermon

Subject for the worship hour at the Ocean View Community Congregational church this Sunday will be "A Very Important Question About God," as announced by Reverend Joseph H. Bennett. Youngsters will be cared for during the sermon.

Sunday school will be held at the regular time, 9:45.

The financial drive for the new church is successfully on the way. Friends who want to help are asked to contact Mr. Bennett at JUniper 4-5867.

Blood Donors

Donating blood recently to the San Mateo County Blood Bank were Wilbert Grieves of Daly City, giving his first donation, and Tiburcio Gomez of Colma, giving his second pint.

Citizens Request Adjustment In Garbage Rates

The possibility that the city of Daly City might acquire Woodrow Wilson Elementary school, condemned for school use, as a city administration building, was given impetus Monday night at the city council meeting, when, on motion of Councilman A. J. Gaggero, Mayor Paul Green was authorized to contact school board of trustees to work out plans for acquisition.

Although the building does not meet rigid specifications required for school buildings, the council believes it would be a crime to demolish a building which can be used by the city, and which would cost more than a hundred thousand dollars to replace. Inspection by city council members, Al Randall, county building inspector, Fire Chief Elmer Kennedy, and County Health Inspector Fred Collins, reveals the fact that the administrative offices, as well as a potential site for locating branch offices of county governmental departments.

Mayor Green promised to have a report on the proposition at the next council meeting on May 23.

Monday night's council meeting saw a number of important business transactions written into the record. After discussing the advisability of employing a full-time city manager, the mayor appointed Councilman Ed Mooney as head of a committee to investigate and report to the council. It was estimated that a city manager could save the city thousands of dollars, while at the same time insuring prompt and efficient execution of city functions.

In other matters, the council set May 23 as the date for a final hearing on suggested use of the Hillside quarry site for motel purposes, and laid over until May 23 abatement proceedings on premises at 6630 Mission street, which premises have been declared to be in a dilapidated condition.

Announcing that several hundred citizens have gone on record as favoring an adjustment in rates and added services in garbage collection, the council set May 23 as the date of a hearing on that problem also.

A new business license ordinance was introduced, its general provisions providing for a raise in general licenses from $12 to $18 per year, as suggested by the Daly City Merchants Association.

An order vacating a portion of Mission street, at County street, and a portion of Bepler street, between San Jose avenue and Mission Circle, was passed unanimously, as was a smilar order vacating certain public utility easements in Westlake subdivision.

TRACK-FIELD CARNIVAL SLATED THIS SUNDAY AT JEFFERSON HIGH FIELD

Lions Club Will Present Trophy To Winning School

A 20-inch gold trophy will be presented to the school winning the Daly City - Colma Lions Club track and field carnival Sunday, April 15, by Arnold Panella, president of the club. The trophy is topped with a runner and has a boy and girl track figure on either side. The Lions Club insignia is engraved on the front with the words "Daly City - Colma Lions Club Track and Field Carnival." The Lions Club will sponsor the event annually with the award rotating each year to the school winning the highest number of points. The trophy and individual awards are on display at the lobby of the Daly City Theatre.

Arnold Panella

James Snell

The track meet is scheduled to begin at 1:30 p.m. Sunday at the Jefferson high school track and should be finished by 2:45 p.m. Coaches for the four teams are Glen Smith, Woodrow Wilson; Bill Tergis, Crocker; Don Pagani, Jefferson, and Father William Steward, O.L.P.H. Participants for the event were chosen from winners of the intramural races held last week. They are as follows:

BOYS' A DIVISION

(Continued on page 6 col. 3)

Lions Thank Record For Show Publicity

The Lion's Club show was a "howling success" according to members of the club, many of whom have called or written to The Record thanking us for the publicity which has appeared in past issues. Typical of them is the one from Elton McGraw of McGraw Brothers Pharmacy which reads as follows:

"As a member of the Lions Club Publicity Committee I wish to thank you for the wonderful publicity given us last week in the Record. I am sure the show will be a huge success and the efforts of the "Record" in its behalf will play a big part.

"I know we can always count on you to help in any community service. Again many thanks.

ELTON McGRAW"

Among the others adding their tributes to the Record's publicity for the annual event were Arnold Panella, president of the club, James Snell, publicity chairman, and Glibert O'Shaughnessy, general chairman.

LONG VIEW

Astronomers at the Palomar Observatory are getting a real "eye full" of new worlds brought into range of man's vision by the 200-inch telescope installed at the observatory last year.

But, on the basis of the first photographs taken, nothing startlingly new about the outer world has been revealed. Man is now peering out into space for a distance of one billion light years. (A light year is the distance light travels in one year at the rate of 186,000 miles per second). When the new instrument is perfectly adjusted it may be that an additional 100 million light years of outer space will be pierced.

But regardless of how far the "Big Eye" sees it apparently will never find a limit to the universe.

On this basis, man and his speck of living space seem to grow even more insignificant in relation to the vast universe about them. Yet, if man is the image of his Maker as the Bible declares, it may be that the greatest discoveries yet to be made will be more about man himself rather than the universe around him.

KIDS CAN'T SPEL

Either the current batch of youngsters aren't very smart (madam, don't throw that flatiron, we aren't talking about YOUR child) or else the schools are not putting sufficient stress on spelling.

We refer to the recent disclosure in San Francisco that 37 per cent of the city's ninth grade pupils couldn't correctly spell even 10 out of 30 test words.

Educators say, however, that the present method of teaching spelling is not different from that used when the youngsters' parents attended school. They also point out that in schools where the average mental ability is comparatively high the students are often poorer in spelling than in schools where the average ability is lower. A bit confusing, isn't it? Probably the need is that more time be devoted to spelling in the classroom.

Anyway, we're sure glad we lerned to spel good when we wer in school.

SAVE CHINA?

General Claire Chennault told the Senate Armed Services Committee that $350 million in immediate aid to Nationalist China would stop the Communist advance and thus save Asia from being completely taken over by the Reds. It sounds fairly simple. But it is virtually impossible to believe that anything short of direct military intervention on a huge scale have any material effect on the China situation. The needs of the Nationalists are not for money, or rather, the things things money will buy. The great need is for morale and for moral stamina.

Chiang Kai-shek's regime was torpedoed as much from graft and corruption within as it was from the Communist pressure without. Sending more money to China will not improve the practices of the men who have made personal fortunes for themselves and messed things up generally for the people.

It's not easy to see China go down. Without doubt it is a great triumph for Moscow. But the best we can do under the circumstances is to repeat the strategy of the last war—first help our friends in Europe until our Atlantic flank is secured, then do what we can in the Orient. To divide our aid now would probably result in effective help neither in Europe nor Asia.

Would you like to have a free booklet which explains your retirement payments under the Social Security Act? You can secure one, which also will tell you about survivors payments. Write a card or letter to the Social Security Administration, 42 North B street, San Mateo, and ask for Pamphlet No. 64.

If you have lost your social security card you can secure a duplicate by making application at the nearest office of the Social Security Administration. It is not necessary for you to contact the office that issued your original card. The office serving San Mateo county is at 42 North B street, San Mateo.

Happy Homecoming

Helen Cheatham Gets Support For Trustee Post

By Memory Gomez

Dear Registered Voter:

Most of us have realized that the situation with regard to our Jefferson Board of School Trustees has been, shall we say, politely obscure. And many of us have been thinking rather vaguely, or saying somewhat ineffectually, that we wish somebody really good would run for School Trustee . . . meaning someone well educated, thoroughly informed, and thoroughly honest, without any political or other axes to grind.

Very well, "somebody good" is running this time. And if you really want an honest, capable and non-partisan member on our Jefferson Board of Elementary School Trustees you can vote for her in the election Friday, May 20. Her name is Helen M. Cheatham.

Very briefly, here are the vital statistics regarding Mrs. Cheatham:

Mother of two public school children.

University education.

Now president of Woodrow Wilson P. T. A.

Attends school board meetings regularly.

Helen Cheatham is running for School Trustee because she is interested in education and child welfare; and only that. She is interested not just in one group of children in a certain location; she is interested in all our children and all our schools in this district. She is pledging her earnest efforts to secure these much-to-be-desired results:

Fair distribution of school facilities.

Harmonious school administrative relationships.

Most economical use of school funds with an eye toward securing auxiliary funds for cafeterias, auditoriums and "extras" beyond the present "Austerity" program.

Getting the political foot out of the school door.

By all means vote for the School Trustee of your choice on Friday, May 20. We believe that with all the facts in mind, your vote might well be for Helen M. Cheatham.

HAPPY BIRTHDAY!

By Harry Castiglioni

This Friday is lucky Friday the 13th and we have 13 people on our Happy Birthday List for the coming week.

Tomorrow, on the day that many people carry rabbit's feet, Eleanor Frediani, 908 Washington street, will be blowing out candles on her birthday cake. Blow 'em all out, Eleanor—for good luck.

On the list for Saturday we have four people who just missed being born on the 13th: Angelina Firpo, 290 St. Charles avenue; Horace R. Woodward, 300 Citrus avenue; yours truly, Harry Castiglioni, and Shirley Ann Garibaldi, who will be three years old and will have a party for eight of her friends at her home at 7324 Mission street.

Mrs. L. Schwarz of 659 San Diego avenue will come up for birthday honors on May 15. Elsie Frathy of Colma will be next in line on the 16th.

Two people will observe their birth anniversaries on the 17th: Mrs. P. DeMatte, Colma, and Kay Marchetti, 52 Market street. On the next day, May 18, John Sawa of 1663 Sweetwood drive will come into the birthday limelight.

Flora Martinelli, 407 Santa Barbara avenue; Mrs. A. Graucchi, 61 W. Market street, and Janet Marsh, 173 W. Moltke street, finish up this week of birthdays by having theirs on May 19.

STRICTLY FRESH

PENNSYLVANIA coal miners staged a sit-down strike 500 feet underground. What a low-down and dirty way to strike!

General MacArthur chastens Japs for living beyond their means, headline says. Couldn't be they picked up this old American custom from our GI's, could it General?

Refugees Flee Shanghai

Crowds of refugees jam a railroad station in Shanghai to flee the city before Communist troops cut the rail ties to the south. The fall of China's capital, Nanking, 150 miles northwest, was the signal for large-scale evacuation of Shanghai by air, sea and rail.

Parade Pictures Now On Display

Did you see the big May Day parade in Daly City May 1?

Whether you did or didn't you'll want to review the parade, including all the floats, units and acts, by seeing the pictures of it taken by Myra.

Photographs are on display at the Colonial Gift Shop, 6272 Mission street, and at Myra's Studio, 6275 Mission street. Copies of the photos may be ordered at Myra's.

Upon the death of a worker who has been employed on jobs coming under social security, some member of the family should get in touch with the Social Security Administration, 42 North B street, San Mateo. This should also be done by survivors of any World War II veteran who dies within three years after the date of his discharge.

Benedict Arnold

In 1780 Benedict Arnold's plot to betray West Point was disclosed with the capture of Major Andre, who was hanged. Arnold escaped to the British lines.

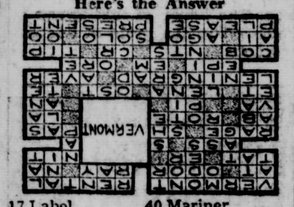
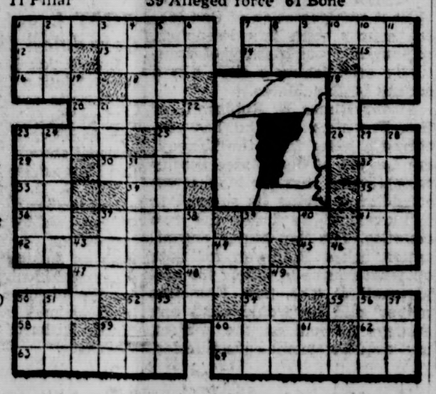
Here's the Answer





Julius Castelan Makes Appeal To The Voters

Listen, folks! At the outset, I wish to make it plain and emphatic that it is my belief that all candidates running for the position of trustee on the Jefferson Elementary school district are honest, upright Americans, fully capable, if elected by you the "voters" to fulfill their duties.

That being the case and since you are hiring a trustee to help you administer the education of our children, may I present you a few pertinent facts relating to the administration of the Jefferson Elementary school district:

This district, as you know, is growing by leaps and bounds and without a doubt will continue to do so. Due to the rapid growth we find whole neighborhoods without schools and teachers for their children, and in some cases half day terms, and that at long distances.

The origin of our where-with-all, that is, finances to construct and administer the proper required schools is the city, which in 1947-48 furnished 27 per cent, the state furnished 62 per cent and other, 11 percent. Two of these sources may increase their share — the state and others, mainly the federal government.

My personal relations with the national administration have and are of the best. For years, I am proud to be in speaking acquaintance with Senator Sheridan Downey, Congressman Frank Havenner, Congresswoman Helen Gahagan Douglas and most of the Democratic congressmen of California.

This school district needs federal aid and I can assure you folks I will get quick and substantial help for our school district.

My education at the University of Arizona as civil engineer, and post graduate work at UCLA, my experience in civic administration, two years with the Los Angeles Board of Education, two years with the City of San Francisco, both civil service, one year as Daly City engineer, my tenure as chairman of the San Mateo Democratic county committee and my re-election by 4,000 votes to the same committee; twenty years experience as civil engineer throughout the United States, South America, and the South Pacific, the fact that I have owned my home in Daly City 10 years and have raised my family here certainly qualifies me. Ready and willing to request your vote for me on Friday, May 20, at your nearest school, to serve you as trustee on the Jefferson school district.

It is for you the "voters" to decide. I am sure there will be no cause for regret if I am allowed to serve you in this capacity.

Signed: Julius F. Castelan

News From Pershing P.T.A.

The first meeting of the General Pershing P.T.A. under the new president, Mrs. George Freeland, was well presented and well attended. The course in parliamentary law, sponsored by the California Congress of Parents and Teachers, and given at Clark school, currently being attended by Mrs. Freeland, was a strong factor in the smooth running of this meeting.

The following chairmen were ratified: program, Mrs. H. S. Holcomb; tea service, Mrs. R. F. Traxler; publicity, Mrs. E. K. Whinnen; sunshine, Mrs. Herman Kohlbrenner; magazines, Mrs. Chester Thuener; music, Mrs. A. W. Lauffenburger; health, Mrs. George Clennell; motion pictures and recreation, Mrs. John Eason; parent education, Mrs. O. L. Wakefield; citizenship, Mrs. Adalia de Bautista; art, Mrs. Raymond Gross; pins and emblems, Mrs. James Jordan; Founders' Day, Mrs. D. C. Gensel; finance and budget, Mrs. Robert Poole; membership, Mrs. Arthur G. Benofsky.

Reports were made on the state convention of the California Congress of Parents and Teachers held at Los Angeles by delegates Mrs. John Sorenson and Mrs. James Jordon. Highlights of the meeting were a sightseeing trip arranged for the delegates and the performance of 700 Mothersingers.

Mrs. J. C. Hazlett, of the American Association of University Women, San Mateo county, presented and described a little booklet titled "Fun-Finders," a guide to recreational facilities in San Mateo county. Mrs. Hazlett told how the little booklet came to be compiled. It was to fill a need for fuller information about the many places to go in the county, and what facilities were available at the various parks, playgrounds, etc.

Mrs. W. M. Cheatham, president of the Woodrow Wilson P.T.A., made a plea for all members to vote at the coming school election.

Tentative plans were made for a salvage drive and a public dinner to be held in the near future.

The tea service under the skillful management of Mrs. F. F. Traxler was lovely. A ne note of interest was introduced by Mrs. Traxler. Numbers were drawn for fun, without charge, of course, and at the end of the meeting the lucky person was given a little gift. At this meeting it was a little box of sachets.

Stress was laid on the current drive for magazine sales for the benefit of the high school band. From 35 to 40 per cent of the proceeds of this drive will go to the bend for new uniforms. These uniforms are badly needed and the support of all members was urged.

Miss Emgles' class won the prize for the most mothers in attendance at the last meeting.

James Snell, district superintendent, joined the assembly for tea following the meeting.

SPORTSCOPE By JOE MAHONEY

JEFFERSON HIGH GIRLS' SPORTS

By Claire Allen

Five girls of Jefferson high school have taken and passed with very high grades the National Rating tests given in basketball. These tests are given all over the United States. The girls who have Intramural Officials Ratings are Nancy Schreiber, with a score of 98%, and Pat Hosking, with a grade of 78%. Three girls are capable to referee for GPAL basketball. They are Louise Chessman, 88%; Shirley Van Vliet, 90%; and Ann Allen, 78%. G.P.A.L. ratings means they are capable to referee in their own school. Intramural means any G.P.A.L. school, These grades are exceptionally high for high school students since they only worked on the material for one quarter's time.

The last sport of the year has finally rolled around to the Jeff campus. It is the ever popular volleyball. The starting date is May 16 and there is already a long list of girls planning to participate.

Burlingame high school is playing host to all the schools of the Peninsula for a picnic to be held tomorrow, May 14, at Flood Park. The requirement to attend is the possession of 100 GPAL points or more. Each girl will take her lunch and swimming articles. As is the custom, some of the schools are responsible for a planned skit or piece of entertainment. Well, Jeff has the honor of presenting a folk dancing program.

The spring meeting of GPAL officers and managers has come again. It is being held at Abraham Lincoln high school in San Jose. Five girls are being invited, to be accompanied by Miss oung. It has not been decided who will attend as yet. Dinner will be served. Every year, two meetings are scheduled and each one at a different school. Representatives from every school on the Peninsula attend and discuss vital facts to better the organization of GPAL.

The badminton season reaching a close, the scores of the first four outstanding teams of doubles will be recorded: First place goes to Ann Allen and Jo Ann Clement against Joan Hopman and Lorraine Cady. The scores were 14-15, 15-7, and 15-8. Lorraine Cady and Joan Hopman are holding second place.

The doubles team, Barbara Stein and Barbara Kyles beat Beverly Bendinelli and Mary Milton. These scores are: 15-13, 15-7. The Stein-Kyles team is in third place and Bendinelli-Milton is in fourth. Winners are as follows: Carle and Barbara Saumer, who beat Diane Endres and Janet Schreiber; Jean Elieasen and Arleen Pool, who defeated Marleen Harris and Donna Reed; Barbara Baden and Alice Hammond, who defeated Marie Baldetti and Dorothy Merciano; Margie Richardson and Bobbie Carroll beat Helen Cooper and Captain Audry King; Marianne Costello and Beverly Heagney were the winners against Anita Holcomb and her partner, Adele Hansen; Shirley Bane and Lynette McCray beat Diane Hebert and Lola Mack, to finish the tournament season.

OFF THE BLOTTER . . .

Ho! Hum! Happenings in Daly City this week were down to a bare minimum according to the police blotter. Of course, there was the usual — barking dogs, inebriates, pranksters, false alarms, slight auto accidents, neighborhood quarrels, but darn it, nothing exciting. Who can we thank . . . . the Daly City Police Department for its efficient service or are we the people of Daly City just ain't misbehavin'.

Arthur Rasmussen, 2 years, of 443 Vista Grande avenue, was bitten by a dog last Monday and treated at Junipero Serra hospital. The dog is being quarantined.

Paul Supanich, 363 Woodrow street, reported to the police that his son's bicycle had been stolen Monday afternoon some time between 1 and 5 p.m. from the Woodrow Wilson school. The bike was a Hawthorne brand, red in color, red carrier, chrome wheels, trimmed in gray. The right hand grip was missing. The bike is about 2 years old but in good condition.

Hallowe'en won't be here for another five months, but already Gerold Colombi of Gerold's Liquors had a dirty trick played on him. According to the police Colombi reported his car stolen from the vacant lot at Hillside boulevard and Mission street at 6:50 p.m. Monday evening. He had parked it there at approximately 6:20 and a half hour later found it gone. At 7:05 Officer Welsh found the car parked in front of 6208 Mission street. About two weeks ago Colombi lost the keys to his car . . . so what good would the keys do somebody if they didn't have a car to go with it.

Lambert Geertema of 350 Orizaba avenue is a "dreamer with a penny and not a rich man with a worried mind" after his wallet was stolen, so he stated on Tuesday of this week. According to police he purchased a money order at the Daly City Post Office, put his wallet in his back pocket, and two minutes later when he checked to see if the wallet was there . . . it was gone. The wallet contained $50 in currency, Coast Guard pass, Longshoremen's identification card, driver's license, draft card.

Shooting Range On Coast Highway

Sportsmen interested in trap, rifle and pistol shooting are welcome to use the shooting range located on the Coast Highway, one mile south of Rockaway Beach, left turn at Wanderin towards Old Adobe ranch The range, operated by the Coastside Sportsmen's club, is open every day except Monday from 9:30 a.m. to 4:30 p.m. A range officer will be on duty.

Accomodations are available for .30 and .22 RF (Rim Fire). There is also a trap for shot gun men to get ready for bird season.

SERRA FESTIVAL SET FOR MAY 14

Proceeds of the fourth annual Spring Festival at Serra High school will be donated to the athletic and library fund at the school. The event is scheduled for 6 p.m. May 14. Sponsors are the Mothers' and Fathers' clubs of Serra.

The festival committee is under the honorary chairmanship of Father Vincent Breen, with Richard Cotter of Millbrae as general chairman. Co-chairman is Mrs. James J. Shoonmaker of Redwood City. Ticket sales are being handled by Lyle Kenney and Mrs. George M. Hollister of San Mateo.

Mrs. Gerald Buschini of San Mateo is publicity chairman, and arrangements are being handled by Mr. and Mrs. Louis LaPoint of

Mrs. Ann Eason, Peter Markovich Seek Re-Election

Mrs. Ann Eason and Peter Markovich, incumbents, have both filed for re-election on the Jefferson Union High School board of trustees. Both candidates have been active civic leaders in Daly City for many years and were elected three years ago to their present positions.

The school election will be held Friday, May 20, at which time local citizens will vote at their nearest primary or elementary school building for trustees in the Jefferson Elementary School district and the San Mateo Junior College district as well as the high school district.

The administration of Mrs. Eason and Mr. Markovich has been marked by a fair, efficient and progressive attitude towards the school, students, faculty and the public.

Both incumbents have led charity drives, including Red Cross, American Cancer Socty., Community Chest, and numerous other public-spirited campaigns. Both are leaders in recreation projects.

Mr. Markovich, graduating with the pioneer class of Jefferson Union High school, later completing his education at St. Mary's College, where he has served on the board of directors for the past fourteen years.

Mrs. Eason has two daughters who are graduates of the local high school. She is well-acquainted with the problems of school administration.

Rio Grande Station Under New Management

The Daly City Super Service Station, located behind the Bank of America at 6260 Mission street, has been re-opened under the management of Frank C. Perez of San Francisco.

The manager of the Rio Grande station has announced that it will be open from 7 a.m. to 10 p.m. every day. It will feature lubrication, brake service, tune-up jobs, washing and polishing. Drop in and get acquainted.

Bad Connection.

Four-year-old Skipper Smith, right, uncorks a potential haymaker, wide of its mark, but gravity and a 12-ounce glove prove to be his downfall. Opponent Lanny Wolf, 4, tries to slip in a right cross before Battling Smith kisses the canvas. The pugilistic pair, sons of Navy men stationed at Annapolis, Md., slug it out for the

Miss Lois Zanetti Will Wed Norman Stanghellini Sun.

Two surprise bridal showers were held during the past week for Miss Lois Jean Zanetti, daughter of Mr. and Mrs. Alfred Zanetti of 10 Cavour street, Daly City. Miss Zanetti will become the bride of Norman Stanghellini of 58 Vale street Sunday at a 3 o'clock ceremony in Holy Angels church at Colma.

Pink and white decorations and white blossoms were used as decorations at the shower given her by Miss Lois Marie DeMatei of 370 Poplar avenue, Millbrae Highlands. Many guests were present.

The other shower was held Saturday at Hotel St. Francis and included a luncheon. Joyce Molino and Lois Caddori, who will be bridesmaids at the wedding, were at the luncheon. The group went to see "The Great Waltz."

"Safety Patrol" At Comm. Presbyterian

A "safety patrol" such as guards the children outside the public schools and especially at crossings has been organized at the Community Presbyterian church on 87th, west of Junipero Serra, in Broadmoor Village, and the Junior Boys who comprise the patrol will be invested with the insignia of their office during the 11:15 morning worship service this Sunday.

Officer Logan of the Broadmoor police and the resident minister, the Rev. John A. Glasse, will conduct this special service of investiture. The boys serve under police direction with the written consent of parents or guardian, and will be on duty from School, street and Junipero along 87th street to the foot of the hill where Washington and Village lane join 87th.

It is expected that motorists and horsemen will cooperate with the patrol, and that a real service will be rendered the community by the boys, who began last Sunday, following previous study and instruction under Officer Logan.

Victor Baher, Local Recreation Leader, In Race For Trustee of Jeff School District

Recreation-minded citizens of Daly City this week were rallying around the candidacy of Victor Baher, who is running for the position of Trustee of the Jefferson Elementary School District.

A resident of Daly City for more than twelve years, Baher has been active in Y. M. I., Catholic Youth Organization recreation organization, and for the past four years has been coach of the championship Colma Boys Club baseball aggregation.

For the past several years Mr. Baher's home at 37 Cavour street has been a mecca for sports-minded small fry, taking advantage of Vic's experience as a former member of a National Championship soft-ball team during his college days.

At present, Victor Baher is a member of the San Mateo County Grand Jury, currently investigating criminal and administrative situations throughout the county.

"Daly City and northern San Mateo County are developing at the fastest pace in the state of California. If an area develops, the children must develop. We have some of the most natural athletes in the country here in California; and we should give them a chance to reach the top. We have some of the best potential scholars in the country in our midst—our children—and it is up to us to give them a chance to develop."

A member of the San Mateo Social Service Commission, quietly pursuing his duties as a citizen, Baher was urged to become a candidate for School Trustee by the mothers and fathers of hundreds of school-age children whom he has organized into recreational groups.

A mechanical engineer by profession, Mr. Baher excited comment among his neighbors by building his own Television set a few weeks ago. Baher is on the staff of the University of California Extension Division, where he continues the work he started during World War II, an instructor in engineering.

Don Mossi and Babe Ottonello, both now contracted to major league ball clubs, owe their advantage to Vic Baher, who coached them during their junior days.

Twin girls, a son and another daughter, together with Mrs. Baher and, of course, Vic, comprise the Baher family.

The motto of the Baher supporters is: "A family man to represent parents and children!"

Troop 10 Brownies Hold Mother's Day Party Wednesday

Brownie Troop No. 10 held a Mother's Day party last Wednesday in their meeting hall, Colma Community Center building.

An investiture of 10 new Brownies was held. Those invested were Barbara Gianni, Sandra Paoli, Loretta Bollentini, Elaine Gaggero, Nancy Golobic, Polly Danielson, Edith Detweiler, Carol and Linda Bloom, Geraldine Bertetta.

The program commenced with the Pledge of Allegiance, followed by the Brownie Song, songs and dances. Nancy Hopper favored the audience with two selections on the electric Hawaiian guitar; Barbara Giusti, piano solo; Edith Detweiler, tap dance.

Mothers present were Mesdames Alice Detweiler, Truth Danielson, Pauline Bertetta, Mary Gianni, Clara Golobic, Belda Temkins, Mamie Bollentini, Eleanor Gaggero, Marjorie Hopper, Verna Paoli.

Refreshments were served by the girls and gifts made by the girls were distributed to the mothers.

The troop is being sponsored by the Colma Fire Department.

Salinas Readies For June Rodeo

More than $60,000 in prize money, including entry fees, will be distributed to contestants in the Thirty-third Annual California Rodeo, June 16-19, at Salinas.

Of this amount, some $45,000 has been set aside for arena and $16,000 for track performers, Dr. E. J. Leach, track and arena committee chairman, said.

Eight arena events have been scheduled on the daily program. They include team and calf roping, Brahma bull and bronc riding, steer wrestling, wild cow milking and wild horse racing.

Thirteen track and parade events for men, women, boys and girls have also been listed, as have two daily quarter horse and thoroughbred races.

In addition, Dr. Leach and his committeemen pointed out, some of the country's best trick riding acts, including the appearance of the sensational Hendricks family — Ann, the sister riding King Richard, and brothers Byron and Lee, twins who each ride twin horses—have been signed for the four days of the world's best and richest rodeo.

This year the famous Colmo del Rodeo parade on Saturday evening, June 18, is being returned to the schedule of activities. And on Wednesday night, on the eve of the rodeo's colorful grand opening, the Kiddie Kapers Parade is slated to produce many unique entries. Kiddie Kapers is Salinas residents' way of saying to the world that youngsters should be seen as well as heard — and the kids more than live up to what their elders expect of them.

Wartime workers who changed jobs should check their social security records to see they are up to date. The nearest social security office is the place to begin action.

Bigger 3 Ways... DODGE gives you extra value

WIDER on the inside . . . NARROWER outside! There's extra value in the spread-out elbow room of the wide, wide seats. Yet the new Dodge is smaller on the outside . . . easy to park, easy to garage, easy to thread through crowded traffic.

LONGER on the inside . . . SHORTER outside! The new leg room in Dodge gives extra value in stretch-out comfort. Doors open wide, too . . . let you get in and out easily without squirming or twisting—and without knocking your hat off, either.

HIGHER on the inside . . . LOWER outside! More head room is another Dodge extra value you'll appreciate. Instead of low, slanting seats that force a cramped position, Dodge knee-level seats are actually higher for relaxing comfort, better vision.

If you want extra value, you'll want DODGE!

There's extra value in Dodge beauty that flows from true functional styling . . . in the design that provides more head room, more leg room, more elbow room, greater vision for all passengers.

There's extra value in Dodge's Get-Away engine with its surging acceleration . . . its higher compression that squeezes extra miles from every gallon of gas . . . the smoothness of Dodge All-Fluid Drive at no extra cost.

Yes, you'll want Dodge for the extra value you get all the way from double-life hydraulic brakes and Safety-Rim Wheels, to the luxurious comfort of full-cradled ride and knee-level seats.

Add to these the Dodge reputation for dependability and economy and you'll discover why wise buyers say . . . "If you want extra value, you'll want Dodge."

NOTICE OF TRUSTEE'S SALE

NOTICE IS HEREBY GIVEN that on Tuesday, the 7th day of June, 1949, at the hour of 10 o'clock A. M. of said day, on the steps of the Middlefield Road entrance of the County Courthouse in the City of Redwood City, County of San Mateo, State of California, the undersigned, BETTY O'BRIEN, as trustee, will sell at public auction to the highest bidder for cash in lawful money of the United States, all payable at the time of sale, the following described real property situated in the County of San Mateo, State of California, to wit:

Lots numbered twenty (20), twenty-one (21) and twenty-two (22) as shown on that certain map entitled "Colma Farms, San Mateo County, California" filed in the office of the Recorder of San Mateo County on February 26, 1927 in Book 15 of Maps at pages 24 and 25, EXCEPTING from Lot 22 that portion thereof conveyed by Deed from Albert C. Lane and Georgia Lane, his wife, to The Doxsee Company, a corporation, dated October 14, 1946 and recorded October 15, 1946 under File No. 31306G, San Mateo County Records, more particularly described as:

One acre of land in Colma Farms, being a portion of Lot 22, Colma Farms as recorded in Book 15 of Maps at pages 24 and 25, described as:

BEGINNING at a point which is common to Lots 22 and 50, said point being the Northeast corner of Lot 50 and the Southeast corner of Lot 22; thence N. 33° 20' 15" W. 247.71 feet along the East line of Lot 22 to a point; thence S. 83° 09' W. 180.15 feet along a line parallel to the South line of Lot 22 to a point on the West line of Lot 22; thence S. 26° 11' 25" E. 234.97 feet along the West line of Lot 22 to a point on the South line of Lot 22, said point also being on the North line of Lot 50; thence N. 83° 09' E. 212.80 feet along the South line of Lot 22, said line being a common line to Lots 22 and 50 to the point of beginning. The above described parcel of land contains 1 acre.

RESERVING a right of way for ingress and egress over the Northerly 20 feet of Lot 22 described above.

Said sale will be made without covenant or warranty regarding title, possession, or encumbrance to satisfy the obligations secured by and pursuant to the power of sale conferred in that certain Deed of Trust dated June 1, 1947, executed by CLARENCE W. NIELSEN, single, trustor, SAN MATEO COUNTY TITLE COMPANY, a corporation, as Trustee, and ALBERT C. LANE and GEORGIA LANE, his wife, as Beneficiaries, recorded on July 2, 1947, in Volume 1415 of Official Records at page 225 thereof in the office of the County Recorder of San Mateo County, State of California, which Deed of Trust, together with the promissory note secured thereby, was assigned on July 19, 1948, by ALBERT C. LANE and GEORGIA LANE to LEON C. COLLETT and MELVIN J. DAVIES, said Assignment having been recorded in the office of the County Recorder of San Mateo County, and BETTY O'BRIEN having been duly substituted as Trustee in said Deed of Trust by an instrument dated April 12, 1949.

Activities At Woodrow P.T.A.

"Fun Finder," a guide to recreational facilities available for young children of San Mateo county will be discussed by a representative of the American Association of University Women at the next regular meeting of the Woodrow Wilson P.T.A. Tuesday, May 17, in the sewing room at the administration building at 1:30 p.m. This booklet which is compiled by the pre-school education committee of the AAUW is a publication which provides varied educational experiences and wholesome entertainment for the children. The public is invited.

Chairmen appointed by Mrs. William M. Cheatham, president of the Woodrow Wilson P.T.A., met with the approval of the executive board at the regular executive board meeting held Tuesday, May 10, at 60 Miriam street.

Mesdames O. P. Williams and Ted Hopman and Miss Elizabeth Kennedy were hostesses.

The following chairmen were appointed: Mrs. Henry Adami, program; Mrs. Sanford Larson, publicity; Mrs. Michael Sibitz and Mrs. James Wilson, food sales; Mrs. James Snell, parent education; Mrs. Robert Duffey, Founders' Day; Mrs. Lillian Thomey, student welfare; Mrs. Elmer Hanley, information; Mrs. Robert Hacker, magazine and emblem; Mrs. Manney Johnson, sewing; Mrs. Ted Hopman, budget and finance; Mrs. Ralph Wakehouse, hospitality; Mrs. Earl White, life membership; Mrs. John Sorensen, Newsette.

Mrs. William M. Cheatham, president of the Woodrow Wilson P.T.A., attended the regular meeting of the Seventh District executive board at the Peninsular Avenue school, San Mateo, Monday, May 9.

Mrs. John Sorensen, past president of the Woodrow Wilson P.T.A., attended the class in parliamentary procedure at the San Mateo Park school, San Mateo, Tuesday, May 10.

A discussion of the graduation party was the main issue at the Room Mothers' meeting of the Woodrow Wilson P.T.A. held Wednesday, May 11, at 439 Willits street. Hostesses were Mesdames Al North, A. Saarinen, and S. Stafford.

District installation being held Thursday, May 19, at the Congregational Kloss Hall, 225 Tilton street, San Mateo, will be attended by Mrs. John Sorensen, past president, who will introduce Mrs. William M. Cheatham, recently installed president of the Woodrow Wilson P.T.A. Other delegates will be Mesdames Emil Bertelli and Lillian Thomey.

LOW BEAM ADVISED

When driving at night in heavy traffic, operation of your car's headlights entirely on the low beam is advised by the California State Automobile Association. The Vehicle Code requires shifting to the low beam when within 500 feet of an oncoming vehicle. Use of the low beam when in heavy night traffic avoids frequent shifting from high to low.

PEDESTRIAN CASUALTIES

Pedestrians who become involved in traffic accidents are usually guilty of one of three jaywalking practices, the California State Automobile Association points out. These practices include crossing streets between intersections, disregarding traffic signals or traffic officers, and stepping into traffic lanes from between parked cars or from behind an obstruction to the oncoming driver's view.

Doughnut Queen

Latest addition to the nation's long list of "Queens" is Gregg Sherwood, above, who was selected from among 150 girls in a New York contest to find the "1949 National Doughnut Week Queen." Judging from her apparel, the Beloit, Wis., model is prepared for a dunking.

HI-LITES From Jefferson Union High School

by Carol Donaldson

The Senior class of '49 is going to present their senior ball on May 27 in Jeff's auditorium. The theme of the dance is "Evening in Paris" and music will be provided by Steve Selvi.

Thursday a tea and fashion show was presented by the sewing classes. The girls modeled the clothes they made during the term. Corsages were presented to the mothers.

The Jeff Music Club held a dance this afternoon in the auditorium at 1:30. During the last half-hour a floor show was put on in the middle of the auditorium floor. One of the acts presented was a "Babalu Dance to the Snake God," prepared by Bill Denton, Bettie Duffy, Lorraine Remmer, and the other majorettes.

The winner of the essay contest, "Our Privileges and Responsibilities as Future Citizens," was Louise Chessman. Each paper was given a number in order to insure impartial judging and ironically Louise's was numbered "1" and the paper of the second winner, Jola Gorsuch, was numbered "2." How's that for a coincidence?

Doings Of Colma P.T.A.

The regular meeting of Colma PTA was held Tuesday, May 3, at 1:30 in the afternoon at the Colma Community Center, Dunks street, with Hilda Dennis, president, presiding.

New officers took over their duties at that time.

A special meeting for the revision of the by-laws will be held Tuesday, May 31, at the center. All members are invited to attend and vote.

The next meeting will be a potluck dinner in honor of Father's night. Mrs. Helene Mori, hospitality chairman, will be in charge of the dinner to be held Tuesday, June 7.

A motion picture showing the varied activity of camp life by the YMCA will be shown at that time. Virginia Stanghellini, program chairman, plans a variety of entertainment.

Coffee and cake were served at the conclusion of the meeting. In attendance were Mrs. Mattrup Jensen, charter member and past president of Seventeenth District.

Anyone wishing to attend the Sewing and Sunshine meeting at the home of Mrs. Victoria Gregori, 157 Station avenue, please phone DElaware 3-3395.

NEWS FROM S. M. JAYSEE

Lynn Jaeger, visiting the Peninsula from South Africa, will lecture at San Mateo Junior College Monday evening, May 16, giving an illustrated lecture on South Africa, its beauty spots, its customs, and its people. He will show beautiful color movies. The public is invited to the program at 7:30 in the college auditorium, without charge.

Junior college students, who enjoyed a shipwreck dance in the college gym last Saturday evening, dancing to Hawaiian music, this Sunday will have a swimming party at the Coyote Point pool in the afternoon, starting with a picnic lunch at twelve o'clock.

San Mateo JC baseball players won their twelfth league game Saturday, beating City College of San Francisco 9-6 at San Mateo, and took the league championship for the second straight year. Now the team will play the northern division winner in the play-offs. The jaysee track team earned third place at Modesto Saturday in the conference track meet with 12 colleges represented.

Already the college adult center is preparing for the June opening of the college canning center which in recent years has aided the peninsula housewives in canning fruits, vegetables, and meats. New equipment is being installed, and the rooms are being arranged to make the work as easy and efficient as possible. Housewives bring their produce to the center and prepare it in cans which are then cooked in regular canning equipment. State licensed inspectors and operators are in charge of the operations.

Celebrate Silver Wedding Anniv.

Mr. and Mrs. George Lagomarsino of Los Gatos, formerly of Colma, celebrated their silver wedding anniversary May 8 with a dinner at Lucca's Restaurant in San Francisco.

Among those who celebrated with them were Mr. and Mrs. William Lagomarsino, Mr. and Mrs. Ricco Lagomarsino and Dolores and Loretta Lagomarsino, Mr. and Mrs. Fred Lane and Phyllis Lane, Mr. and Mrs. George Lagomarsino Jr., Mrs. Del Vecchis, Eugene Lagomarsino, Mr. Henry Lorenz, Mr. and Mrs. Herman Lorenz and Roger, Mr. and Mrs. Sam Valentino, Mr. and Mrs. Bob Rafter, Mr. and Mrs. William Popino, Mr. and Mrs. Ed Bocci, Harold Bocci, Rita Leonard, Mr. and Mrs. Bob Wall and Audrey Wall, Mr. and Mrs. Patten.

Unable to attend were Mr. and Mrs. Mario Ghio as their daughter Roberta was ill.

Mr. and Mrs. Lagomarsino received many lovely gifts which will be used in their new home which is fast nearing completion in Los Gatos.

Shanghai, known as the "Pearl of the Orient," stands as a rich prize for Communist forces sweeping southward after retreating Nationalist armies. This view of the seaport city shows the famous Bund—boulevard along an embankment—and the Garden Bridge.

Nazarene Church Elect New Officers At Wednes. Meet

New officers were elected to the church and Sunday school boards during the annual meeting held Wednesday evening, May 4, at the Grace Church of the Nazarene.

The following were elected as trustees: Kelsey Hawthorne, Leo Lemon and Alex Sokol. Those elected to the board of stewards were Mrs. Hawthorne, Mrs. Mills and Mrs. Webb. Mrs. McKisson, Mrs. Sokol and Mrs. Clarke were chosen to be on the Sunday school board. Mrs. Grace L. Wheeler was re-elected as Sunday school superintendent. Delegates to the district assembly to be held at Beulah park, Santa Cruz, May 18 to 20, are Mrs McKisson, Mrs. Lemon and Bob Mills, with Mrs. Sokol and Mrs. Mills as alternates.

During the meeting reports were read by the pastor, Reverend D. C McKisson, and officers for the past year. Reports from both the church and Sunday school showed a definite upward trend with an increase in attendance and accomplishments over the previous year.

Sunday, May 8, the Mother's Day corsage for the oldest mother was received by Mrs. DeLaney of Hillcrest drive. The corsage for the mother with the largest family present was given to Mrs. Gordon Singer.

Tonight a group from Daly City will attend the Oakland Church of the Nazarene to hear General Superintendent Samuel Young, who will speak at a bay area rally starting at 7:30 p.m.

Sunday afternoon, May 15, at 3 p.m. the Intermediate Girls' class will meet at the home of their teacher, Mrs. L. Lemon, for their monthly meeting and supper. At the meeting plans will be made for class activities for the coming month.

Would you like to know the amount of wages credited to your social security account? You can secure such a statement free of charge once a year by sending in a postcard form prepared for that purpose. To get the postcard form, write or telephone the Social Security Administration, 42 North B street, San Mateo, telephone DIamond 4-6804. Ask for Form 7004.

TEST YOUR I. Q.

1. What language has the greatest number of words?
2. What name is applied to a group of lions?

3. What is meant by God's Acre?
4. How many pounds of blood are there in the human body?
5. What is the biggest object ever built by man?

Removing Stains

If you are not sure about the cause of a stain in clothes or linens, it is best to apply the mildest treatment first in removing it.

If you have a social security card, and have used it in any of your work, you should get in touch with the nearest office of the Social Security Administration as soon as you become 65 years of age.

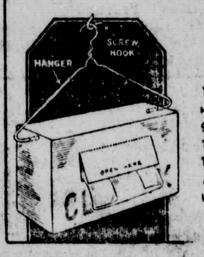
During the past few weeks, three people who had lost 62 monthly payments of the Old-Age and Survivors Insurance filed their claims. They thought the federal insurance benefits were charity. They did not know that it is insurance which they had earned. They did not know that they and their employers had paid premiums for it.

Answers to TEST YOUR I. Q.

1. English.
2. A pride.
3. It is an ancient Saxon phrase meaning a churchyard or cemetery.
4. Between 12 and 15 pounds for a person of average weight.
5. Grand Coulee Dam in Washington.

HOW TO FIX IT

By Tom Gregory



INSTEAD OF LEAVING YOUR BOX OF CLEANING TISSUES LYING ABOUT ON A TABLE OR HANG THE BOX ON THE WALL IN A CONVENIENT SPOT AND THEN PULL OUT THE TISSUES AS THEY ARE NEEDED. JUST GRASP THE HORIZONTAL TISSUE AND PULL IT OUT INTO THE AIR.

STORIES PICTURES PUZZLES GAMES

Laugh Maker for Mother's Day

By J. R. Hegel

ISN'T it about time someone lifted Mother out of all the somber sentimentality attached to Mother's Day? Let's make her laugh.

Mary had the right idea. From her grandmother's album, Mary took a snap of Mother in the regulation gymnasium suit of the early twenties: baggy black bloomers, white middy blouse, ungainly tie and—black stockings.

Grandmother

Mary enlarged the snap in her own darkroom, framed it and underneath the picture printed: DID YOU EVER REALLY LOOK LIKE THIS, MOTHER? I LOVE YOU ANYWAY. HAPPY MOTHER'S DAY!

Mother chuckled all day over that oldtime picture.

The Turnball twins made a table centerpiece of a cardboard wheel that could be turned at the touch of a finger. To this wheel they Scotch - taped snaps of Mother which they had collected from all their relatives — snaps which Mother had blissfully forgotten. Mother was in a bathing suit, 20 pounds heavier at 17 than she was at 37. And there was her first beau, Herman Gornswoggle. And the Lester street school picnic. And her old-time movie idol replete with eye-shadow.

Mother

Daughter

The twins' mother laughed so heartily over the turning of that center piece it was some time before she sobered sufficiently to eat the delicious dinner Dad and the twins had prepared.

Nothing tops old snapshots or photographs for a Mother's Day funmaker. If you have a few around or can garner some, now's the time to make that card or moving centerpiece. In between the gifts and the sugared sentiment, give Mother a laugh, too.

Chuck Wagon Party

GO Western, guys and gals, if you want your next party to be something extra.

Send the invitations on cut-outs of 10-gallon hats asking your crowd to meet on Saturday afternoon at a Western movie. Ask them all to wear ranch clothes, or a reasonable facsimile. Then when you are in the proper mood, hike out—West, of course!—to meet the chuck wagon.

The family car disguised with plenty of hearty Western food will bear a close enough resemblance to the old-time rolling kitchen of the ranges. Be prepared with plenty, for Westerners always eat hearty. Barbecued beef and a big steaming kettle of red beans would make a typical meal, topped off with dried apple pie. On a cool spring evening, the same large pot filled with red-hot chili would receive a hearty welcome.

When everyone is well stuffed, it's time to get out the guitar or the harmonica and "bay the moon." Sing every western song, new or old, that you can think of before you hike back home again.

ZOO'S WHO

PUZZLE PATCH

Brain Teasers About All Kinds of Birds and Fowls

Bird, Beast or Fish?

1. Which of the following are hoofed animals: Panther, Camel, Buffalo, Elephant, Zebra?
2. Which has the most powerful teeth—the lion, hyena or tiger?
3. Has the crested mynah or the parrot the most human voice?
4. What fish can shut its eyes?
5. What bird roars like a lion?

Riddles

1. What is the most dangerous kind of an assassin?
2. Why do blacksmiths seem discontented?
3. What is the difference between a girl and a soldier?

Bird Rebus

Use the words and pictures to learn the identities of the four hidden birds:

Extinct Mix-Up

Rearrange the letters in each of the following groups of words to form the names of two extinct birds:

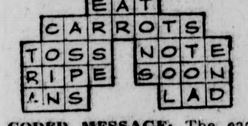
ODD O. O MA

PUZZLE ANSWERS

BIRD REBUS: Cardinal; Chickadee; Whippoorwill; Woodpecker.

EXTINCT MIX-UP: Dodo; Moa.

CROSSWORD:



CODED MESSAGE: The eagle is the national bird of the United States.

DIAMOND:

S
APE
APART
SPARROW
ERROR
TOR
W

RIDDLES: 1—A man who takes life cheerfully. 2—Because they are always on the strike for wages. 3—A soldier faces the powder, and a girl powders her face.

BIRD, BEAST OR FISH: 1—Camel, buffalo, zebra. 2—Hyena. 3—Crested mynah. 4—Blue shark. 5—Male ostrich.

Long Train

At school, the first-graders were having a session at which each told of recent events at home.

Marjorie, who had just had a birthday, reported her gifts.

"I got a new Indian hat, an Indian jacket and a caboose to go with it," she said.

Balloon Game

This simple party game is fun.

A small balloon is given each contestant. First, he must blow it up to a certain size. Then he must tie it with a ribbon and a fancy bow. Next he must blow it across a goal-line.

Once over the line, he must deflate it, blow it up again, tie it with

Teen Time

By Bess Ritter

A NEW, active game to play with the gang is bike polo. Four players make a team. The sport is played exactly like the real thing, except that "two wheelers" are used instead of horses, and croquet mallets substitute for regulation equipment. Add any kind of light ball, and start having fun, but be careful you don't hit somebody.

• • •

Put your favorite chatelaine pin on the top portion of your suit sleeve. Pin it right below the shoulder. It's smart—and good-looking.

• • •

Don't get mad the next time somebody says, "If I were you, I'd . . ." Try to remember that there are only two reasons why some people don't mind their own business. Either they haven't any mind, or they haven't any business.

"Clean-up Week" For City Announced By Mayor Green For Week of May 23

A "Cleanup Week" for Daly City in which householders are invited to deposit accumulated junk and refuse at the curb in front of their residences, and trucks are engaged to haul this accumulation away, has been announced by Mayor Paul Green and will start May 24.

To facilitate the pick-up, the city has been divided into districts with specified days in each area for the pick-up. They are as follows:

District one—the area east of Mission street between Wellington avenue and the San Francisco County line. Tuesday, May 24.

District two—the area west of Mission street, between the S. F. County Line and Vista Grande avenue. Wednesday, May 25.

District three: the area west of Mission street, between Vista Grande avenue and the southerly city limits.

District four: the area east of Mission street, between Wellington avenue and the southerly city limits.

Residents are asked to pile junk or refuse at the curb early in the morning on the designated date. Practically everything of a surplus nature will be picked up with the exception of earth or rock.

Girl Scouts Make Gifts For Mothers

Girl Scouts of Troop No. 14 last Thursday finished their ceramics to give to their mothers on Mother's Day. The girls also made wall plaques trimmed in plastic and paper pot holders which were also trimmed in plastic, and wrapped their gifts.

At the meeting today, Thursday, the girls will examine new members on the laws for vestitures with the Vestiture Ceremony being held next Thursday.

The scout house at Peoria is now open at 2 p. m. Thursday to accomodate the girls from Crocker who get out early. Plans will be made for a party for all girls whose birthdays fall in the first six months of the year.

SAFETY PATROLS

Take It Easy in your driving when you encounter a School Safety Patrol on duty, urges the California State Automobile Association. Be prepared to come to a full stop immediately if children are about to cross.

LIONS CLUB SHOW WAS HUGE SUCCESS

The Daly City-Colma Lions Club show held at the Daly City Theatre Tuesday evening, under the guidance of Gilbert O'Shaughnessy, turned out to be a howling success from beginning to end. The show opened with the Star Spangled Banner and ended with the Duncan Sisters who stopped the show with their songs and antics performed in their inimitable style.

Community singing was led by Vivian Duncan in such numbers as Together, Side By Side, Bye Bye Blackbird and other favorites. Bink Mangan played music on everything from a carpenter's saw to an inner tube and finished up by slapping a bass fiddle that smoked a cigar and walked across the stage. Julie Mace, recent talent quest runner and currently starring with the Duncan Sisters at their school of theatre in Burlingame, worked with the Duncan Sisters in several songs and was received with a big hand.

Bettie Duffy and Lorraine Remmer, students at Jefferson Union High School, danced their way into the hearts of the enthusistic audience. Bill Serrini, another JUHS student, gave an imitation of Al Jolson that would make Larry Park's face turn white with envy. Bob Moore sang the Blue Tail Fly 'til Burl Ives wouldn't come home. The Daly City Eagles Hillbilly Band knocked themselves out as well as everybody else with their fast moving back country music and some rip snortin' yodeling. Doc McGovern took everybody to heaven and other places with his baseball stories told in true South San Francisco dialect.

The Lions Club Trio made up of Joe Lewkowitz, bass; Ilio Fontana, accordion; and Gil O'Shaughnessy, clarinet gave out with a medley of hot tunes that had the balcony swinging and swaying. Holiday for strings was transposed into holiday for accordion by Ilio Fontana and but goo. O'Shaughnessy gave an imitation of Ted Lewis imitating O'Shaughnessy on the clarinet and came back with an Irish medley on the saxophone that met with the delight of the audience. A door prize was awarded just before the picture "Crazy House" featuring Olson and Johnson was shown. Everyone enjoyed the entire show as no one left 'til the last bell was rung. Grant Williams did a sweet job as master of ceremonies.

Special thanks go out to the merchants and others who contributed to the success of the ticket sales and other phases of the program. Dan Anderson, Daly City Theatre manager, was on hand to see that everything was ship-shape. Lion Club President Arnold Panella gave the welcoming address. If you missed the show it's your own fault.

Daly City Lions And Wives Attend Convention Meet

Seven members of the Daly City-Colma Lions Club and six of their wives attended the Lions Club District 4-B Convention at Hoberg's in Lake county last Friday, Saturday and Sunday, May 6, 7, and 8. They were Mr. and Mrs. Al Harrison, Mr. and Mrs. Larry Comer, Mr. and Mrs. Stanford Hannah, Mr. and Mrs. Ira Neville, Mr. and Mrs. Gilbert O'Shaughnessy, Mr. and Mrs. Arnold Panella and Harry Willis.

Mr. and Mrs. Elio Fontana and Mr. and Mrs. Joseph Belli Jr. failed to get to the convention when they were in an auto accident just outside of Petaluma. Mrs. Belli is recovering from severe cuts and bruises. The car is practically a total wreck.

Jack Merchant of the Crocket Lions Club was elected president of District 4-B for the 1949-50 term. The student from Lowell high school who was representing District 4-B won the student speaking championship.

Mother's Day Party Given By Brownies Of Troop No. 13

Sixteen Brownies from Troop 13 held a Mother's Day party for their mothers last Thursday in the Colma Community Center. Thirty-eight were present, including the leader, Mrs. Margaret Damon, and the co-leader, Mrs. Jean Brugge.

The girls presented their mothers with tiny watering cans in which ivy was planted. They had made the gifts themselves. A Mother's Day song was sung while they presented the gifts. Ice cream and cake were served.

Women Of Moose Meet May 18th

An initiation and memorial services will be held by Women of the Moose, Chapter No. 739 of San Francisco, May 18. All friends are invited to the open meeting. Hospital Guild Chairman Hilda Rogers will be in charge of refreshments.

A class of 11 co-workers will go to Los Angeles to receive their friendship degrees May 20. They are Helen Ansgarius, Peggy Hart, Irma Heyberger, Edith Pedranti, Elsie Clingler, Lucile Peterson, Carman Murphy, Vivian Lasko, Virginia Otero, Clotilda Guerrazzi and Harriett Marble.

The executive board met May 11 at the home of Clotilda Guerrazzi at 1350 Francisco street.

Bird Banding

Bird banding has solved the riddle of where most birds winter. Many stop during the cold weather in southern United States; other species stop in Central America; and yet others fly far south of the equator, spending their winters in Central South America.

Largest Restaurant

World's largest restaurant is in Rockefeller Center in New York City. It serves more than 10 tons of food in 24 hours.

Good Provider

Cottontail rabbit provides more meat for the American table than any other game animal.

SEWAGE SYSTEM COUNTY'S PROBLEM, SAYS McFEELEY, FEDERAL OFFICIAL

San Mateo county must solve its own sewage problem at the Coyote Point Housing Project a federal official declared this week.

James McFeeley, chief attorney for the Federal Public Housing Authority on the west coast, said that the government will neither permit the project to close before the year's end nor pay for an improved sewage system. He took his stand before a meeting of the San Mateo county board of supervisors.

McFeeley declared that the government operating contract takes precedence over county ordinances. He said that the supervisors cannot close the project before the Federal closing date of January 1, 1950 and must refill vacated units as long as there is a waiting list.

NO EXCEPTIONS

There can be no exceptions to the time-tested rules of traffic safety, warns the California State Automobile Association. Your one exception can be the cause of an accident.

Catskill Mountains

Catskill mountains attain a maximum height of 4,205 feet.

WHILE THE COAST SLEEPS

Hundreds of telephone people in the West keep night patrol to help meet emergencies and keep service reliable

1. **Darkness can't stop** these telephone men as they begin an important emergency cable repair at night. Fortunately, these emergencies are not common . . . usually can be repaired in daylight. But, up and down the Coast, other telephone people burn midnight oil regularly . . . so your telephone will work for you when you want it.

2. **One important night-time** job is done by this electronic tester. It checks lines to make sure they're in good shape. At the same time, other telephone men are vacuum cleaning and inspecting sensitive switching equipment . . . you might say it's stopping trouble before it starts. And night is the best time to do it, while most telephone users are sleeping.

3. **In the quiet hours of the night** operators handle relatively few calls . . . but many of them are vitally important. Repairmen are on call for service on important lines . . . doctors, hospitals and the like. Garagemen check and equip trucks for the next day's installation rounds. Building service workers make offices spic and span . . . all a part of providing reliable service to you.

4. **You can help** yourself get the most from your telephone . . . a servant that is constantly growing in value. You can do it by using the telephone in the most efficient way: being sure of the right number before you call . . . giving the called person plenty of time to get to the telephone . . . spacing your calls so others may get a call through to you.

The Pacific Telephone and Telegraph Company

Your telephone is one of today's biggest bargains

It has a Heart of steel and that new Ford "Feel"

The new look of the Ford Station Wagon tells you why Ford was chosen "Fashion Car of the Year" by the Fashion Academy of New York. Behind this beauty is an all-steel construction, a sturdier, safer body that's an important part of the new Ford "feel."

Note how the all-steel body is welded into a rigid unit. Exterior wood panels are bolted to the body. They can easily be removed and replaced. Laminated and molded, they resist water, warping and splitting.

Wide seats are easy to remove leaving truck-size utility space. Load through the extra-wide side doors or the rear "freight entrance."

You'll notice the new Ford "feel" in "Fingertip" Steering, "Magic Action" Brakes . . . "Equa-Poise" Power. Come in and place your order today.

Take the wheel...try the "Feel" at your FORD DEALER'S

AWARDED THE FASHION ACADEMY GOLD MEDAL AS THE "FASHION CAR OF THE YEAR"

OLPH MOTHERS' CLUB TO MEET THIS FRIDAY

The Mothers' Club of Our Lady of Perpetual Help school will hold its regular meeting on May 13 at 8:15 in the school auditorium at 80 Wellington avenue. Final plans for the group communion and breakfast being held Sunday, May 22, at the 8 o'clock mass will be made; also election of officers will take place.

The business meeting will be followed by a social meeting. Refreshments will be served by a committee composed of sixth grade mothers under the capable direction of Mrs. Esther Nolan, term hospitality chairman.

Registered Nurses May Get Commissions In The U. S. Navy

Registered graduate nurses may now file their applications for officers' commissions in the Navy Nurse Corps. Unmarried nurses between 21 and 28 years of age are eligible for this program.

Navy nurses are stationed on shore and afloat throughout the world. In addition the Navy offers postgraduate study in specialized fields to those who can qualify for this advanced training. You may study with all expenses paid, plus your officers salary and allowances at outstanding universities.

Full information on this program may be obtained by visiting or phoning the Navy recruiting station, located in the county courthouse, Redwood City. Phone EM 8-1185.

Surprise Cradle Shower

A surprising cradle shower given by Mrs. Edith Maloney last Wednesday evening, May 4, honored Mrs. Robert Krost, the former Beverly Rud, of 1163 Nimitz drive, Broadmoor Village.

The shower was held at the home of Mrs. Catherine Rud, 44 W. Cavour street, with the following in attendance: Mesdames R. D. Sherwood, H. F. Capps, R. Monson, B. Mercurio, D. Lynd, V. Baher, J. Giacomini, T. Yorkman, L. Kroth, C. Rud, E. Maloney, Misses H. Rud and M. Canepa.

Decorations were carried out in pink and white. Buffet refreshments were served from a table centered with a heart-shaped cake.

Woodrow Wilson Softballers Lead Two Divisions

The Woodrow Wilson teams are leading both the Class A and Class B divisions in the Daly City Junior Softball League. In the A division, Woodrow has two wins and one loss to her credit, while Jefferson is second with one win and one loss and Crocker third with one win and two losses.

In the younger boys' league, Woodrow has won three consecutive games, giving none to their competitors. Jefferson is second with one win and one loss, while Crocker is trailing with three losses.

Both Woodrow Wilson teams will play their Jefferson opponents at 10:30 a.m. May 14 in Marchbank Park. League director is Robert H. Seiler. Coaches are Glen Smith, Woodrow; Bill Tergis, Crocker; Don Pagani, Jefferson. The league is sponsored jointly by the Jefferson Elementary School District and the Daly City Recreation Department.

Will Celebrate 30th Anniversary

Mr. and Mrs. Fred Lane of Colma will celebrate their lucky 30th wedding anniversary this Friday the thirteenth. Mr. Lane is assistant superintendent at Woodlawn Memorial Park and Mrs. Lane is an employee of Midtown Liquors in Daly City.

They have been living in Colma ever since they were married by Judge Buck in the Redwood City courthouse.

TROUT ANGLERS CROWD NORTHERN LAKES

Hundreds of trout anglers were out on Lake Almanor and Butt Lake in Plumas county as the season opened last week, reports the National Automobile Club. Their average catch, however, was little more than one trout to the boat.

WEDGEWOOD . . . OVER 65 YEARS LEADER IN THE WEST

Raccoon, Fighter

Raccoon is a fine swimmer, and like a monkey, he has four hands instead of feet. Many a good hound has been drowned because a coon sat on top of his head until he quit bubbling.

Egg Shells for Livestock

Egg shells are an excellent source of calcium and the calcium is almost 100 per cent digestible. Calcium is essential in bone development and is added to livestock feeds.

Red Cross Societies

Sixty-five Red Cross societies now are members of the League of Red Cross Societies, organized in 1919.

Million Board Feet

In the Douglas fir region of Oregon and Washington the manufacture of one million board feet of lumber provides a living for about 45 persons for a year.

Water Projects Pay Off

Crops valued at $225,235,236—highest on record—were produced in 1947 on 15 federal reclamation projects in the Pacific Northwest, according to the bureau of reclamation. The previous high was set in 1946, when farmers grossed $210,337,163.

Nitrogen Supplies

Supplies of nitrogen, phosphate and potash for commercial fertilizers are expected to be about 10 per cent larger in 1949 than they were in 1948.

Remarkable Rose Bush

What is believed to be the world's largest rosebush is at Tombstone, Ariz. A white Banksia 80 years old, it has a trunk more than 40 inches in diameter and had an estimated 150,000 blooms in May.

Corn Storage

Extra corn storage may be found in discarded rail stock cars.

Command Appearance

By Mollie Martin

"EVERYBODY knows about Chocolate Pie!" True, but everybody doesn't know how to make a good one. It takes time for a new crop of homemakers to build a recipe file and to collect the "old stand-bys." So, this command appearance of a Chocolate Pie recipe is especially for them—and for you, since it's extra good. So if it differs from yours, you'd better try it.

Chocolate Pie

2 squares unsweetened chocolate; 2½ cups milk; ¾ cup sugar; 6 tablespoons flour; ½ teaspoon salt; 3 egg yolks, slightly beaten; 2 tablespoons butter or other shortening; 1 teaspoon vanilla; 1 baked 9-inch pie shell.

3 egg whites; 6 tablespoons sugar.

Add chocolate to milk and heat in double boiler. When chocolate is melted, beat with rotary egg beater until blended. Combine sugar, flour, and salt; add gradually to chocolate mixture and cook until thickened, stirring constantly. Then cook and stir for 10 minutes. Pour a small amount over egg yolks, stirring vigorously. Return to double boiler and cook 2 minutes longer. Add butter and vanilla. Cover and cool. Turn into pie shell.

Beat egg whites until foamy throughout. Add sugar, 2 tablespoons at a time, beating after each addition until sugar is blended. Then continue beating until mixture will stand in peaks. Pile lightly on filling. Bake in moderate oven (350° F.) 15 minutes, or until meringue is delicately browned.

DALY CITY RECORD AND SHOPPING NEWS

S-A-V-E

For Happy Dinners

A good dinner served amid peaceful surroundings and in an atmosphere of security is no small contribution to family life. Keep the table-talk constructive and mix with the baked beans and angel cake plenty of love, laughter, and understanding.

Rayon Garments

Since water spots rayon, don't let rayon garments dry thoroughly and then sprinkle. Instead, roll the rayon garment in a towel to eliminate excess moisture; then hang on a hanger until dry enough to iron.

Principal Use of Zinc

More than 60 per cent of all the zinc produced in the U. S. is used as a protective coating for iron and steel.

Value of Arrow Poison

Curare, ancient South American arrow poison developed as a pain killer by modern medical research, has proved to be a valuable addition to anesthetics used by the throat surgeon. Curare is used to supplement and reduce high dosages of common anesthetics.

For An Onion Flavor

Next time you are making sandwiches, slip the knife with which you are slicing tomatoes into an onion several times while slicing each tomato. This will give a delicate onion flavor, but the onion taste will not be strong enough to be unpleasant.

Pasture Improvement

Five steps in pasture improvement; test and treat soil, disk well, reseed, control grazing and clip weeds.

Grand Canyon Village

One of the world's strangest locations for a settlement is at the bottom of Grand Canyon where the Indian community of Supai, Ariz., is located. A helicopter delivered parts for a quonset hut used as a church there. The community post office is one of the few to which United States mail is delivered by horse and mule.

Most Populous State

Although ranking 29th in land area, New York state has been the most populous state in the Union since 1820, and now has 10 per cent of the nation's inhabitants.

"An Ingenious Man"

"He was an ingenious man that first found out eating and drinking," said old Jonathan Swift, whose wit was matched by a good appetite.

Bovine Tuberculosis

New anxiety about bovine tuberculosis is being expressed by the American Foundation for Animal health, which says that outbreaks of the disease have occurred in cattle herds in many sections of the country. Farmers are urged to have their herds tested to be sure they are free of infection.

Indians Named 'Em

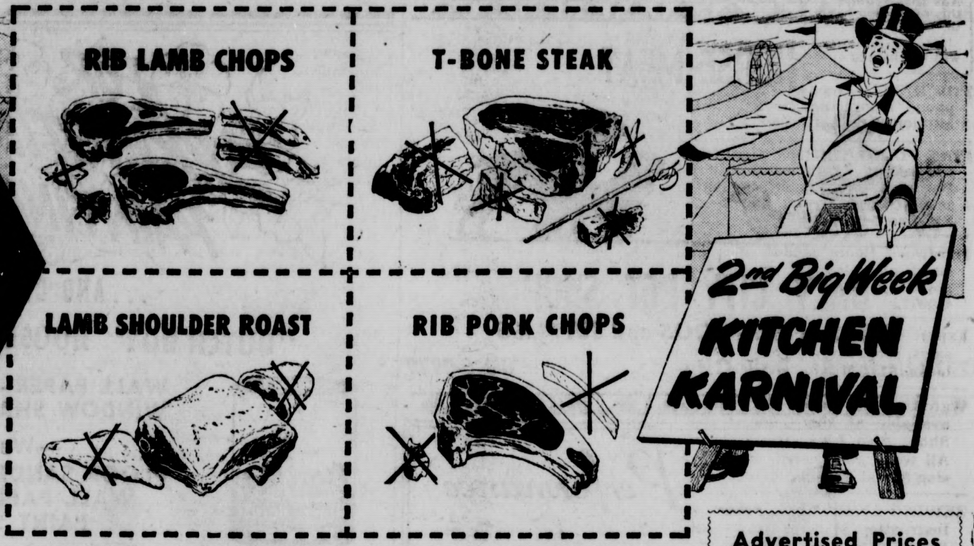
From the Indians and Spaniards Colorado takes many names for its towns, rivers and mountains, such as Sangre de Cristo, blood of Christ; Colorado, color red; San Juan, St. John; Cimarron, wild or unruly; Culebra, snake; Cucharas, spoon; Pueblo, Indian village; Rio Grande, grand river; La Veta, the vein; La Junta, the junction.

If Birds Quit Laying

Although a positive diagnosis of Newcastle disease can be made only by laboratory tests, there is plenty of reason to suspect this malady if egg production in a flock dips sharply—nearly to zero. A veterinary bulletin points out that a drastic drop in egg production, whether due to Newcastle disease or some other type of trouble, should be a warning for poultrymen to get a prompt diagnosis and start corrective measures at once. If the trouble is actually Newcastle disease, respiratory and nervous symptoms usually will be evident.

Irish Setter

Irish setter, usually considered a show dog, is good in the field.



Look at this diagram, folks! It shows why you get more good-eating for your money when you buy Safeway's trimmed-before-weighing meats. Note that you pay only for the portion that properly belongs on each cut—not for excess bone, waste, or fat. We prepare other cuts in similar fashion—each according to its special requirements. When checking meat value, it pays to compare *trimming* as well as *price*. Safeway's price is always on the trimmed cut.

Advertised Prices Effective May 12-13-14

"These prices effective in San Francisco and Daly City. Most of these prices also apply to South San Francisco, San Bruno, Millbrae, Burlingame, San Mateo, San Carlos and Redwood City, but residents of these cities are advised to see their local newspaper for local prices.

Mark Your Calendar!

By BETTY BARCLAY

Make a date on your calendar for a waffle supper sometime soon. Sunday is a good night for this ever-popular dish, for waffles can easily be adapted to extra guests who may drop in. Serve waffles with maple-blended syrup, your best home-made jelly — or if you want a more complete meal, add baby sausages or creamed chicken. Whatever the accompaniment, you will be proud to display these extra-light waffles with the flaky texture.

Buttermilk Flakes Waffles

1 cup sifted flour
¾ teaspoon soda
½ teaspoon salt
1 cup 40% bran flakes
2 egg yolks, well beaten
1 cup buttermilk or sour milk
4 tablespoons melted butter or other shortening
2 egg whites

Sift flour once, measure, add soda and salt, and sift again. Add flakes and mix well. Combine egg yolks, milk, and butter; add to flour mixture, beating only until smooth. Beat egg whites until they will hold up in moist peaks. Stir quickly but thoroughly into batter. Bake in hot waffle iron. Serve with maple-blended syrup. Makes three 4-section waffles.

Cubist Movement

Juan Gris, with Picasso and Braque, was one of the founders of the Cubist movement. Gris, a master of plastic relations, held that it made no difference how elements appeared in shape, color, and perspective as long as a harmonious whole was effected. "My art," he said, "is the art of snythesis, a deductive art."

Johnson Smeared Congress

In 1866, President Andrew Johnson said: "We have seen hanging upon the verge of the government, as it were, a body called, or which assumes to be, the congress of the United States." The people responded to this smear by electing a strong anti-Johnson congress, which two years later brought impeachment proceedings against the President.

Breakable Target

A paper target with a printed bull's-eye is the best known rifle target, but most people like to see something happen when they hit a target—have it move or break. Breakable targets can be readily made by sawing a piece of 2" x 2" lumber into 2-inch lengths.

Safeway Stores Files Suit Against State Agri. Director

Suits to prevent A. A. Brock, director of agriculture of the State of California, from blocking a reduction in prices for cream sold as "half-and-half" cream in Los Angeles and San Diego counties were filed recently by Safeway Stores. Identical suits filed in the superior court in both Los Angeles and San Diego counties asked for an injunction to halt Brock from attempting to enforce his order of April 1, 1949, which established minimum prices for half-and-half. This is the first time, according to Safeway, that minimum prices for half-and-half have been established in either county.

The Safeway suit claims that Brock's April 1 order establishing half-and-half prices is illegal and not authorized by the Agricultural Code. The company declares that minimum cream prices can only be set by the director of agriculture under existing law in areas where a cream stabilization and marketing plan has been set up. There is no stabilization and marketing plan for cream in either San Diego or Los Angeles counties, according to the grocery firm's complaint.

The Safeway complaint contends that by his most recent orders, the director reduced the prices paid to milk producers. This reduction, according to the suit, is equivalent to one and one-half cents per pint on half-and-half. Historically, retail grocers would have dropped the price to the consumer an equal amount if this saving were passed along to them in their wholesale price.

But this reduction was made impossible in Safeway Stores when the director took the unprecedented action of setting minimum prices for the commodities at the level prevailing in the stores before the price to the farmer was dropped. Thus, it was made unlawful for Safeway and other grocers to sell at a lower figure.

It was emphasized in the complaint that the present order is the first time since the Milk Control Act was passed that half-and-half prices were set in the Los Angeles and San Diego areas. The milk price control provisions of the milk laws were enacted in 1937.

The suit complains also that large distributors delivering to the doorstep were favored. Before the Los Angeles order went into effect half-and-half sold in Safeway Stores for 24 cents a pint. Doorstep delivery distributors charged 27 cents, a difference of three cents. In Brock's order, although retail stores were not permitted to reduce their price, doorstep distributors were given the opportunity to lower their prices two cents to a new retail price of 25 cents. Stores were forced to charge the old price of 24 cents.

The damaging effect of the director's order, it was pointed out by a Safeway representative, could be clearly seen. It is realized that in some areas of the state as much as 65 per cent of the milk and cream consumed is sold through grocery stores.

Safeway's suit against Director Brock is the latest event in a series of clashes between the grocers of the state and Brock. At the present time a bill is pending in the State legislature which would compel the director of agriculture to abandon retail price fixing practices which the grocers contend force them to charge customers artificially high prices for milk. The measure was introduced by the California Retail Grocers Association which charged the State bureau, through maladministration, was "gouging the consumers of the state of millions of dollars."

Eight milk areas are affected in the allegedly illegal orders. They are Los Angeles, San Diego, Orange, San Bernardino - Riverside, Ventura, Santa Barbara, San Luis Obispo and Tulare.

Acres of Wool on the Hoof

Studding the rolling landscape of the 6000-feet-high alpine pastures of British Columbia, thousands of sheep of the Hayward Ranch near Kamloops, B. C., are being fattened and sheared on their 1300-acre spring range. The lambs are destined to provide next fall's lamb chops, and their wool may become the yarn for that new suit for Easter, 1950. From this spring range, the sheep will be moved to a summer pasture 150 miles away.

MOTOR VEHICLE PRODUCTION

United States factories turned out a total of 518,118 motor vehicles during the month of March, 1949, reports the National Automobile Club. Of this total, which represents the highest monthly production figure since June, 1941, 402,402 were passenger cars and 115,716 were trucks and buses.

Family Council

One way of attaining a more succesful home life is by the provision of a family council. Let all members of the household join in this council and meet once a week to discuss common problems. This will give anyone with a grievance an opportunity to bring it before the group.

Movement of Birds

It has been claimed that the Persians and Arabs compiled portions of their calendar according to the regular movement of the birds, and the only mysterious part of this natural phenomenon to them was the destination of the flyers. During the earliest years of the Christian era, writers believed that swallows hibernated in hollow trees in the winter.

Princess Sets Style

A vogue for filigree spray brooches is being stimulated by Princess Elizabeth, according to leading London jewelers. They trace the style trend back to the gift of a floral spray of diamonds and rubies, notable for its filigree design, which the jewelry industry presented to the princess when she was married to Lieut. Philip Mountbatten, Duke of Edinburgh.

Barley First Food

In ancient Greece it was traditionally believed that barley was the first form of food given to mankind by the gods, and most botanists and geologists seem to agree that barley was one of the first plants to be cultivated. In the valley of the Tigris and Euphrates and the Nile ancient straw-lined barley storage pits have been found by archeologists who have dated them tentatively about 20,000 years of age.

BAD DRIVING HABITS

Motorists who fret and fume over the "other fellow's" driving habits should stop and think about their own, advises the National Automobile Club. Poor signals, line straddling, darting in and out of traffic, and lack of attention at the wheel, are but a few of the bad driving habits on the road today. Are you guilty of any of these faults? Think it over.

TROUT ANGLERS HAVE LUCK

Trout anglers had some first-rate luck last week along San Luis Rey River in San Diego county, according to the National Automobile Club. Since most streams in this county have been heavily planted, anglers have been having fair to good luck all over.

Mashed Potatoes

For a change from everyday mashed potatoes, add a little chopped chives or parsley.

BROKEN DOOR CHECKS

One repair or replacement about which motorists are extremely indifferent, according to the service department of the National Automobile Club, is that of door checks —those devices that keep the door from opening too far. The check is put on the car for the very good reason that a heavy door is likely to spring or strain the hinges if it is allowed to swing free. Its replacement is a small item of expense and a sure preventive of probably much more costly repairs.

Sheep in Middle East

Sheep raising is of some importance in the Middle East, in Northern Africa, and in some central Asia regions. In these countries, however, sheep are primarily a source of meat, with wool secondary and usually of coarse types.

"Watered" Milk

You can add lots of water to milk—if you run it through the cow first. See that your milk cows have access to plenty of fresh water.

DRINKING AND DRIVING

If you're going to drive, don't drink, advises the National Automobile Club.

Worm Medicines For Foals

Veterinary authorities are not in favor of giving worm medicines to foals at weaning time, because the most dangerous species of internal parasites have not yet reached maturity and are not accessible to the action of drugs in the intestine.

Price of Penicillin Drops

Marie Lynch, of Schenley Laboratories, Inc., in New York, uses a laboratory scale to show that eight bottles of penicillin can now be bought for the former price of one. Once more precious than gold, the drug can now be obtained for less than one-eighth of its 1945 cost.

News Column For The Veterans

Veteran home owners who have not yet filed application for their $1,000 exemption for tax purposes on the assessed valuation of their property are advised by Floyd D. Granger, veterans service officer, not to wait until the last minute to do so.

"The last minute," Granger pointed out, "is the last day of May. But veterans who have let this important slide in previous years will bear out the wisdom of seeing their assessor about it at once. There is absolutely no chance to benefit by this substantial saving after May 31."

He reminded veterans that if they are unable to spare the time from work during the assessor's office hours, their wives may file the application for them. This has been made possible this year for the first time, under the terms of a new law.

Veterans whose property is valued at not more than $5,000 are eligible for the exemption, provided they apply for it in time. Those who live in incorporated cities must file separate applications with both the city and county assessors.

Proof of veteran status should accompany the application, particularly if it is the first one the ex-serviceman is making. He should also be able to provide a legal description of the property, in order to save his and the assessor's time.

All persons who enlist or reservists who enter upon active duty still retain reemployment rights, if qualified upon discharge from the armed forces, according to Floyd D. Granger, veterans service officer. Recent cancellation of induction quotas does not affect these rights.

"Ex-servicemen now being discharged are also covered by reemployment statutes which provide for restoration to jobs they left to enter the armed forces, said Granger, who also acts as a reemployment committeeman for the Bureau of Veterans' Reemployment Rights, U. S. Department of Labor.

He emphasized that the new Selective Service Act guarantees reemployment rights not only to persons inducted, but also to those who enter voluntarily by enlistment or by orders to active duty as a reservist. The fact that a reservist requests orders does not disqualify him.

Ex-servicement or employers who have questions regarding the reemployment laws may obtain information from Floyd D. Granger whose office is located at the San Mateo County Courthouse, Redwood City. If necessary, the problem will be referred to a field office of the Bureau of Veterans' Reemployment Rights for determination.

OPEN HOUSE IN MILLBRAE FOR HUGE '49er CAVALCADE PAGEANT

Starting next Thursday, May 12, and continuing for three thrill-packed days the Millbrae Chamber of Commerce will play host to bay region residents at one of the most spectacular historical pageants and shows ever presented in this area.

The colorful extravaganza which its sponsors have called "The 49er Cavalcade" will be highlighted by a mammoth stage presentation in a specially constructed outdoor amphitheatre with a cast of over 500 players who will enact dramatic moments in California's early history. The theatre which is located in the north section of Millbrae a block west of El Camino, is now nearing completion and will seat, according to chamber president, Geoffrey Baldwin, over 3,000 spectators. At one period in the show a mighty procession of horsemen, covered wagons and stage coaches will thunder across the stage. This exciting tableau will then be followed by a vast troupe of colorfully garbed Spaniards, gold-rush pioneers, Indians, padres, and other well-known figures from California's turbulent past.

The entire production is under the direction of Carl Hawley, eminent Hollywood producer who was flown here from the cinema capital several weeks ago.

Hawley stated this week that the rehearsals which are now entering their final stages indicate to him that the Millbrae three-day extravaganza will be one of the most breath-taking historical programs he has ever directed.

As an added attraction for youngsters of all ages, the Cavalcade committee said that they will present Jo-Jo the Clown and Bette Ann each afternoon during the run of the show. The famous funnyman will conduct at least a half dozen contests for the kiddies.

Whole Wheat for Cattle

Whole wheat, which is to be coarsely ground or cracked before feeding, is worth about as much, pound for pound, as shelled corn for feeding beef cattle.

TROUT FISHING FAIR

Trout fishing has been only fair since the opening at Conn Lake and Rector Dam in Napa county, reports the National Automobile Club. Stream fishing in this area has also been fair.

Coffee, Haitian Mainstay

Since the founding of the Haitian republic 145 years ago, coffee has been the mainstay of its economy. In recent years such products as sugar, sisal and bananas have been developed largely by foreign capital and under foreign control, but the great crop upon which more than any other, Haiti's many peasants depend for the little money they must have for their purchased necessities is coffee.

STRIPED BASS RUN

A heavy run of striped bass is on at present in the northern San Pablo Bay and in the delta waters of Contra Costa county. Although the fish are small, many limits have been taken, particularly in the waters near China Camp, Marin county.

SPORT FISHING EXCELLENT

Sport fishing has been excellent during the past week off San Clemente Island, reports the National Automobile Club. Many limits of barracuda and yellowtail have been brought in.

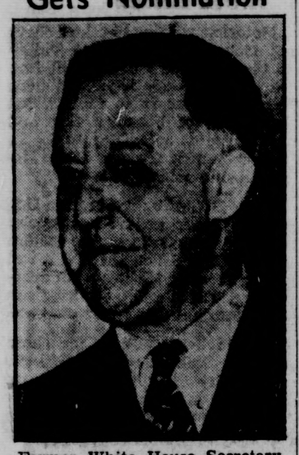
Gets Nomination



Former White House Secretary Stephen T. Early, above, has been nominated by President Truman for the post of undersecretary of defense. Subject to Senate approval, his appointment would put the 60-year-old Virginian second in command to Secretary of Defense Louis A. Johnson.

California Cities Cited For Safety

Berkeley, Burlingame, Redwood City and Beverly Hills won recognition as safe California cities for pedestrians during 1948 in the tenth annual nationwide Pedestrian Protection Contest conducted by the American Automobile Association which announced the results recently.

Berkeley, for the second time, took top place among cities of its population group, tying with Roanoke, Virginia. Berkeley was also a first place winner in the 1945 nationwide contest.

Contesting cities were judged both as to the type of pedestrian protection program conducted during the year, and for the improvement in the safety record for persons afoot.

The first place award to Berkeley consists of a mahogany mounted sculptured glass plaque. Burlingame, Redwood City and Beverly Hills will each receive a special certificate testifying to the excellence of their pedestrian protection programs.

Readying for Racing Classic

Preparing for the forthcoming 500-mile auto race in Indianapolis, Ind., designer Bud Winfield, center, puts the finishing touches on one of the two famed Novi Grooved Piston Specials. Duke Nalon, left, and Rex Mays, right, two of the nation's top racing drivers, are considered major threats to win the event as pilots of the twin cars.

Dolwig Suggests Strengthening Of State Bank Act

Strengthening of the California Bank Act by tightening of reserve requirements and clarification of various phases of the act was given in a report to the state legislature by Assemblyman Richard J. Dolwig of San Mateo county. The legislator is chairman of a sub-committee on finance and insurance in the lower house assigned to study the Bank Act and make recommendations in the form of legislation for its revision.

The study and corrective legislation is the first to be made since 1909, according to Dolwig, whose committee held eleven hearings since the legislature convened in January. The committee submitted 86 amendments to the act for consideration by the general committee on finance and insurance.

Upon completion and filing of the report, Dolwig and his committee were commended by resolution for the work accomplished in making the report.

Principal changes recommended by the committee included the tightening of bank reserve requirements, a general over-all strengthening of the act, and clarification of many phases of the banking laws now on the statute books.

Mouse 'Dairy'

A miniature suction pump milks a mouse at the Columbia University - Presbyterian Medical Center's "Mouse Dairy" in New York, where scientists announced that they have isolated the virus of breast cancer from mouse milk. The new development is expected to further science's attack on human cancer. The "dairy" houses more than 4000 mice. Each yields approximately one cubic centimeter at a milking.

Edward J. Foley Issues Advice To Those Reaching 65 Years Of Age

Edward J. Foley, manager of the San Mateo field office of the Social Security Administration, announced that retirement and survivor benefits under the Old-Age and Survivors Insurance provisions of the Social Security Act now amount to $70,000 a month in San Mateo county.

Of that amount $55,000 is being paid monthly to 2,200 persons who are 65 and over.

"Some persons have lost benefits they would have been entitled because they have not filed a claim for them," Foley said. He suggested that anyone who has reached the age of 65, hand has worked in employment covered by the Social Security Act, should visit or write the Social Security Administration, 42 North B street, San Mateo.

Benefits can be paid retroactively only three months before the month in which a claim is filed. Delay beyond that time may result in losing some benefits.

Persons over the age of 65 may obtain valuable information by filling out the blank below and mailing it to the social security office.

Mint Silver Coins in China

In support of the new economic reform program, China's Central Mint in Shanghai has begun making silver coins. The coins, bearing an impression of Dr. Sun Yat-Sen on one side and a Chinese junk on the other, will soon be rolling off this and four other minting machines at the rate of 300,000 daily.

Have Fish Ears?

Snakes and fish have ears but these ears have no outside openings. They "hear" mostly through vibrations in the ground or water.

Scratches on Furniture

To make scratches on dark furniture less noticeable, rub with a freshly-cut walnut, or touch up with iodine.

HI-LITES AT C.C.S.F.

By Roy Hurlbert

Election of student officers for the fall semester will be settled with a two-day flock to the polls the last of this month. So decreed the student council recently when John Mix was tabbed commissioner for the balloting. A special college hour rally introducing the candidates to their supporters is set aside next Friday.

The race for Sophomore King and Queen is all over but the naming as of this writing. Foremost of the male hopefuls are Leonard Wolf, Al Chapin, George Campanis, John Dracopoulos, Jack Kearns, and Don Lucey. Out to steal the feminine spot are cuties, Mary Lou Evans, Penny King, Peggy Latimer, Jeanne Marsh, Phyllis Smith, and Trudy Wulff. The pair chosen will be kept in the dark until the night of the sophomore formal, June 11, when both winners will be named.

A word anent the approaching Mardi Gras celebration, is that a headman and his lady will also be selected to rule over the colorful event.

University of San Francisco's debating group out-talked the college's yes and no men last week in an issue concerning federal medical aid. Joe Schwab mingled over the matter on the affirmative side as did substitute Corinne Lambert, who gave out with the woman's point of view.

Music and drama department leaders are hard at work preparing their version of the opera Naughty Marietta by Victor Herbert which has a four performance run starting the first of June. Should be strictly a lulu, with some very well known music along with a qualified cast of collegiate thespians.

Construction of the new parochial high school at the northwest corner of the campus is going great guns. The way it looks now, the structure might greet its first family by the time autumn rolls around.

ATHLETIC DOINGS

Intramural basketball was written off the record books last Wednesday with the Balboa Buccaneers topping the hoop field. The Bucs grabbed the championship by tripping their fellow clubmen, the Balboa Alumni AC, 26-25, in one of the closest tilts imaginable. Shiny belt buckles go out to Andy Divodi, Ernie Domecus, Morry Kerner, Don "Mouse" Mallen, Jim and Nick Leaskou, and Dick Lamar, for their fine efforts. Runnerups included Long Don Fricke, Irv Thomas, Don Lakin, Roy Eichorn, Bob Frazier, Tom Polliciata, and Bill Bond.

Soccer with four competing aggregations, and football, with an eight team field are next on the intra sports program.

San Mateo's Bulldogs swept a two game series from Bill Fischer's diamondmen last week and thereby garnered the NCJCC pennant. The Peninsula-mitmen took 12 straight while Modesto and City College are deadlocked in the second slot with 7-3. This should be settled this week end when the Rams face the Pirates in their league finale in a twin zill. Seasonally the locals are one shy of the .500 mark, having 12 wins and 13 losses.

The world famous Fresno Relays highlight the cinder slate Saturday and Coach Grover Klemmer and ten of his spikemen will converge on the Raisin Capital for two year class events. Yet to triumph this season, the Red and White bedecked warriers can only hope for individual laurels due to their lack of depth. Making the jaunt are Irv Beltrame, Owen Moore, Jack Hurst, Bill Walti, Ken Fogarty, Marv Hoffman, Ray Carnegie, Bob Bland, and Stan Christie.

Ralph Hillsman's golden golfers added a pair of victories to their spectacular record over the week end. Friday they invaded Modesto and drubbed the host Pirates, 26½-½. Saturday the hot shots ravaged Menlo, 25½-1½. Unbeaten in conference play, the Rams now boast nine wins in 11 outings, one being a tie with San Mateo. The latter playoff scheduled soon will determine the southern division stalwart. Next Thursday it's the all conference tournament held in Palo Alto, with a bid to the nationals in the bag for the survivor.

The net men of mentor Harry Buttimer bested Stockton, 4-3, in their next to last court match before the loop's all team matches begin at Menlo, May 20, 21, and 22.

ADD INFINITEM

Talk about horses for courses, what about the unique class offered by the home economics department? The subject offered is child development which entails everything from diaper duty to wiping the kid's noses.

Paul Ellison, imported English instructor from the land of the tea leaves, presents the Campus Players in their adaption of Sidney Howard's Late Christopher Bean, today.

Now They're Skiing on Air

Against a backdrop of clouds and cypress trees, Katy Turner, former national jumping champion, adds the Dixie Jumping title to her laurels with this graceful flight through the air at Cypress Gardens, Fla., in a tournament held under the auspices of the American Water Ski Association.

NEWS FROM THE SCHOOLS

CROCKER

The students of the L5 and H5 grades welcomed Richard Martin, from Guadalupe School in San Francisco, to their class last week.

H5 and L6 have been completing work on their social studies booklets, dealing with electricity and are preparing for work on transportation.

In arithmetic, both classes are working with practical problems testing skills which are being developed. The earth's relation to the stars is developing a concept of astronomy, and to further impress upon the children this relationship "Sky Charts" are being made.

The H5 and L6 are swinging into the fascinating study of aviation. This last social studies unit for grade 6 will cover the history of this science from the first primitive flights of the Wright brothers to the latest "Flying Wings" and jet bombers.

The pupils will try to gain an insight into the elementary principles of flight; but most of all, the pupils will realize what the airplane has done to revolutionize communication and transportation in the modern world today.

L7 and H7 had the educational pleasure of viewing two films of the Sahara desert. They saw how severe a desert storm could be; they learned how the nomads of that area live. The most fascinating part of the films was the section showing the snake charmers, the glass eaters, and the fakirs.

Simple geometry is the specific which has been iteresting the H7 and L8 grades. The U. S. history unit of work was developed visually by the presentation of the film "Land of Liberty."

Following are the prospective graduates who have neither been absent nor tardy this past six weeks: Gary Anderson, Dolores Armstrong, Jim Butenhof, Jim Frances, Nick Hitchiner, Peggy Lee, Ida Pera, Claudette Sargent, Joan Simanski, Bob Stone.

JEFFERSON

Boys of the Jefferson Traffic Patrol have made a very fine record since they took over their duties at the intersections near the Jefferson school. The Daly City Police Department who organized the patrol, the teachers and students of the school and the parents in the community have many times expressed appreciation for the efficient manner in which the boys have handled their very responsible job.

At a recent patrol meeting, the boys decided to reorganize their squads. New leaders were chosen as follows: Martin Carovano, captain, Edward Fuchs, lieutenant, Squad I; Alfred Schenone, lieutenant, Squad II. Members of Squad I are: Donald Bocci, Stanley Stanton, Joseph Bocci, Leonard Monson, Jim Hutchingson and Frank Bertoli. Charles Maynard, Jack Plunkett, Albert Lagomarsino, Jim Fernandez, John Dennis and Allen Anthony are in Squad II.

Mayflower's Passenger List

Twenty-four women were on the official passenger list of the Mayflower.

SHORT CUT TO REDWOOD EMPIRE

Motorists wishing to take a short cut from the Sacramento Valley to the Redwood Empire will find State Route 20 from Williams through Upper Lake to U.S. 101 just north of Ukiah a fast and scenic route, according to L. L. Norris, touring director of the National Automobile Club.

State Route 20 diverts from U.S. 99 at Williams, and from that point to Clear Lake Oaks, on the eastern side of Clear Lake, there is a fast and interesting highway. An average speed of 55 miles per hour can be maintained this entire distance.

The highway follows the shore of Clear Lake through the little community of Lucerne, thence to Nice and one mile beyond, thence through Upper Lake. It leads along the shores of the two very scenic Blue Lakes, thence to U.S. 101.

'People's Car' Finally Arrives in Germany

A dozen years ago, Adolf Hitler promised a shiny new Volkswagen (People's Car) to any German with 1000 marks to pay for it. The war intervened, and not a People's Car reached the people. But now the Volkswagen plant at Wolfsburg, Germany, is rolling the cars out for civilians at the rate of 40,000 a year. The rear-engine autos seat four or five, are economical on fuel, and hit a top speed of about 62 mph. Above, completed cars line up in a parking lot behind the Volkswagen factory.

ACTIVITY CALENDAR

Friday, May 13

9:30 a.m.— Meeting, Intermediate Troop No. 3, 101 Parkview avenue.

3 p.m.— Meeting, Brownie Pack No. 8, 101 Parkview avenue.

3:30 p. m.— Meeting, Brownie Troop No. 17, No. 4 firehouse, Peoria street.

7:45 p. m.— Christ Ambassadors Service, The Assembly of God Church, 6276 Mission street.

8 p.m.— Service, First United Pentecostal Church, 400 Crescent avenue.

8 p. m.— Regular meeting, California True Blue LOL, No. 118, Masonic temple, 17 Hillcrest drive.

8 p.m.— Meeting, Bethel No. 26, OJD, 2668 Mission street.

8 p.m.— Meeting, Company No. 4, DCFD, Roosevelt and Peoria streets.

3 p. m.— Meeting, Old Glory Post No. 2044 VFW, Little Italy Hall, 6299a Mission street.

8:15 p.m.— Meeting, Mothers' Club of Our Lady of Perpetual Help School, at the school.

Sunday, May 15

9:30 a.m.— Sunday School and Bible class, Bethel Lutheran church, 2525 Alemany boulevard.

9:30 a.m.— Sunday school, The Assembly of God Church, 6276 Mission street.

9:45 a.m.— Sunday School, Church of Christ, 474 San Diego avenue.

9:45 a.m.— Sunday school, Grace Church of the Nazarene, Santa Barbara and Vista Grande avenues.

9:45 a.m.— Sunday school, Grace Presbyterian church, Hanover and Evergreen.

9:45 a.m.— Sunday school, Lutheran Church of Our Savior, Junipero Serra and Garfield.

9:45 a.m.— Sunday school, Community Presbyterian church, 87th street west of Junipero Serra boulevard, Broadmoor.

10 a.m.— Sunday school, First United Pentecostal church, 400 Crescent avenue.

8:15 p. m.— Meeting, Colma Vista Grande Aerie No. 1848, Eagles hall, 3346 San Jose avenue.

8:30 p. m.— Meeting, Court St. Mary No. 1155, CDA, Masonic temple, 17 Hillcrest drive.

BIBLE COMMENT

FOR APRIL 24

Self-Control Is the Essence Of Temperance

THIS is a temperance lesson. Temperance lessons were formerly built around the principle of total abstinence from alcoholic liquors. That principle has been basic in such organizations as the WCTU and various temperance societies, and in the main it has been the emphasis in temperance activities in most of the Protestant churches. But it requires very little observation to note that in respect to this there has been a great let-down among church people in recent years.

Liquor has of late become more strongly entrenched in social custom, and social custom takes on in this respect a somewhat exacting and domineering aspect. The normally social abstainer, who would not hesitate at a party to decline courteously a cup of tea, or a cup of coffee, hesitates to decline a cocktail, lest he be regarded as socially unco-operative or peculiar.

For my own part, when I have been offered liquor, as has happened even on pastoral visits, I have been wont to say that I am as dry as the Sahara, but that I am neither Pharisaic, nor apologetic, about it. I am not Pharisaic, for I know that far better men than I drink habitually. But I am not apologetic, for I resent the social imputation that I should eat or drink what I neither want, nor like, and particularly something with which a great deal of personal and social unhappiness is associated. It is my feeling that it is the drinker, rather than the abstainer, who ought to be on the defensive.

But all this leads up to the plain truth that it is self-control that is the essence of temperance. And the highest form of self-control, which implies a self capable of controlling, is the control of the spirit of God in the inward life. With that well established one cannot far go astray, whatever his reactions to the problems of conduct.

Increased Parking Fines Asked by S.F. Police

An increase in traffic parking fines has been asked by the San Francisco Police Commission in a letter to the board of supervisors.

Declaring motorists park in red, yellow, and bus zones without worrying about being tagged because of the small $1 and $2 fines, the Commission said that an increase in the fine would deter the large number of violators who are furthering traffic congestion and wrecking bus schedules.

Potato Goes to Britain

Regarding the introduction of the potato into Great Britain, the two legends more generally believed are those surrounding Raleigh and Drake. According to the first: Solanum tuberosum, the common potato of our fields and gardens, was first introduced by Sir Walter Raleigh who brought the roots from Quito and caused them to be planted in his own garden at Youghal, Ireland.

HAVE VALVES ADJUSTED

An automobile engine breathes through its valve system, points out the National Automobile Club. Before starting a long trip, make certain that the valves are correctly adjusted. It is a quick way not only to efficiency of operation but also to a significant saving of fuel on the long trip.

Texas Gaining Industry Fast

Houston, Tex., is the center of the nation's fastest growing industrial area. There, in 1946-'47, more than 80 million dollars was invested in plants as against 69 million in the New York area. On a per capita basis this amounts to $106 against $5.40 for New York and $14 for Los Angeles, according to Pathfinder.

RAILROAD CROSSINGS

"Familiarity breeds contempt" applies to the driver who is so familiar with the railroad crossings in his town that he uses no caution when approaching them, declares the National Automobile Club. Motorists should always stop, look, and listen before attempting to cross railroad tracks. By doing so they will help keep themselves safe.

S.F. Buys Pipeline Land

The San Francisco board of supervisors has approved purchase of land in Santa Clara and Alameda counties for the new Bay division pipeline from Hetch Hetchy.

L. W. Jensen of Santa Clara county received $6250 for his land, and John B. Telles $1630 for a parcel in Alameda county.

Freedom Ended?

"Muffy" is a sad cat these days as she snuggles up to Carol Ann Helland, 6, of Libertyville, Ill. A bill passed by the state legislature would make it illegal for cats to roam at large, requiring leashes for the animals. The measure could put an end to Muffy's nocturnal sessions on the back fence.

Three-Minute Medical Care --- Do You Want That Here?

Elizabeth Wilson, author and student of socialized medicine, watched the British system in operation last year. She reports that many doctors are seeing and attempting to prescribe for from 40 to 75 patients a day. She tells of at least one doctor who frequently sees 120 patients in his office during a four-hour period.

Cecil Palmer, British journalist and author, in a recent visit to New York, stated that physicians in England find themselves "swamped with work and burdened with the red tape of filling out countless forms for Government records."

Is this the kind of medical care we want in America? Do you want two-or-three-minute-medicine, with diagnosis and treatment on the run? Do you want Governmental red tape and delay — when your loved ones need prompt medical attention?

THE COSTS GO UP — AND UP, AND UP!

And what of the staggering financial cost of such an experiment? The cost of socialized medicine has never been correctly anticipated or budgeted; every nation attempting a program of politial medicine has found the cost soaring far beyond the original estimate. In Germany the cost in terms of individual taxes was increased on 100 different occasions during a 50-year period. In England, the record shows 70 cost hikes in 40 years.

The Federal Security Administrator estimates that his plan here in America would start at a cost of four billion dollars a year. Eventually, it is calculated, the cost would reach ten or twelve billion dollars annually. What those figures actually would turn out to be, in the light of appalling cost increases in European countries, no man can predict. Dr. George F. Lull, former Deputy Surgeon General of the U. S. Army, and now General Manager of the American Medical Association, using Veterans Administration figures as a yardstick, estimates a starting figure of 18 billion dollars a year, with rapid increases mounting to an expected ten per cent tax on each individual American paycheck.

England's new National Health Service Plan, which began last July (1948), went into the red for $234,000,000 during its first nine months of operation. The cost for the first year will be approximately one billion dollars instead of the original estimate of $620,000,000—a cost increase of almost 40% in its first year of operation.

THE PAYCHECK RAID

These and similar statistics mean simply one thing — that the American taxpayer, who is already giving up from 20 to 30 per cent of his income in Government taxes, would experience still another drastic cut in his take-home pay. Practical students of the subject estimate that it would require a six per cent payroll tax even to set up the machinery for a program of National Compulsory Health Insurance. That is a $156 yearly slice out of an income of $50 a week. Mr. W. Rulen Williamson, a former actuary for the Federal Security Board, estimates that from 18 to 36 per cent of our National income would go to the Truman Administration's proposed social security program, if socialized medicine were to be included.

WHEN YOU'RE SICK, DO YOU WANT DOCTORS— OR CLERKS?

The billions of dollars extracted from American taxpayers, however, would by no means be returned dollar for dollar in terms of medical care. A huge proportion of the cost would go to support a horde of clerks, bookkeepers and administrators who would far exceed the number of doctors actually serving the people.

Deer Feeding

Nearly 1,000 tons of alfalfa hay and concentrated deer food were distributed in Wisconsin's deer yards during 1947 to feed an estimated number of only 23,000 deer. The cost of this operation $72,000, along with the required payment of deer damage claims amounting to over $55,000 in 1947, has brought about the general concession by game biologists that deer feeding is a waste of effort and money.

Hessian Fly Again

Wheat jointworm, ranking next to Hessian fly as causing heavy losses to the wheat crop, was present in many fields this past season. The areas most heavily infested were southern Illinois, central and southern Indiana, southwestern Ohio, Kentucky, and several localities in Missouri. The department of agriculture is warning farmers to make use of known control measures to avoid severe and widespread infestations in 1949.

Salt in the Ocean

A scientist estimates that the amount of salt in the world's oceans is enough to cover the United States with a layer a mile and a half deep.

X-Ray Diagnosis

As an aid in diagnosis, X-rays provide two different methods of examination. One is known as radiography, whereby a permanent record of the X-ray image of various parts of the body is made on the film. The other method is known as fluoroscopy, which affords a means of visual study of the X-ray shadowed on a fluorescent screen. An X-ray film, or adiograph, of any part of the body is similar to a photograph except that it is fundamentally a shadowgraph rather than a picture produced by reflected light.

Sweet Potatoes

Sweet potatoes should be used within a week or so after they are purchased to be at their best. Like bananas, they should never be put in the refrigerator. They are so sensitive to cold that they may turn dark and become less appetizing if they are kept at a temperature as low as 40 F.

Cut Flowers

After cutting fresh flowers from the garden, place in water almost to the blossoms. Insert scissors under water and cut off a small portion of the stem. Keep stems under water until flowers become turgid and stand up well for artistic arranging.

Coronary Thrombosis

Deadliest disease in the United States is heart disease, and the most frequently fatal of all heart ailments is that known as coronary thrombosis. Statisticians expect afflictions of the coronary arteries to kill one man in 30 and one woman in 90 above 40 years old this year.

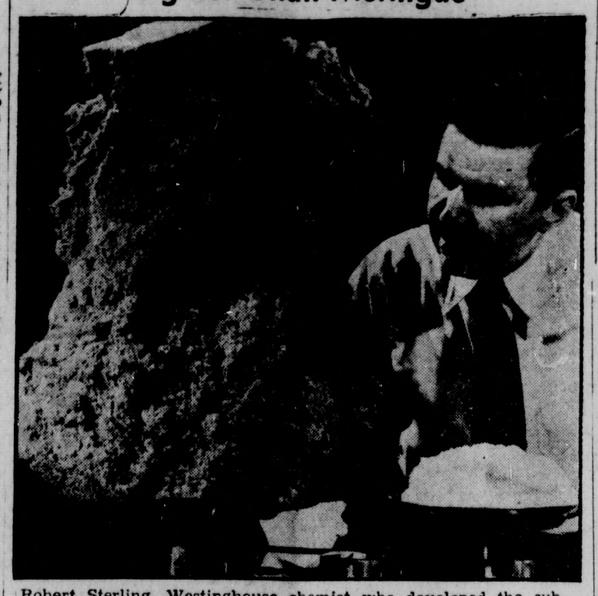
Lighter Than Meringue



Robert Sterling, Westinghouse chemist who developed the substance, compares a chunk of his new lightweight plastic with a panful of fluffy pie meringue. Despite the difference in mass, the two balance each other at five ounces. Termed "the world's lightest solid," the new plastic foam was developed for use as an insulating material. One of its chief advantages is that it can be transported in liquid form and foamed into place wherever needed, thus saving considerable shipping space.

Radar and Storms

Radar was used during the war to "see" electrically the planes and ships of friends and foe in daylight, darkness or fog, far beyond the range of the human eye. With its radar a ship could navigate into a harbor in a pea-soup fog. Today scientists are using radar to map and study storms in a 200-mile circle around a weather station at Wilmington, Ohio.

Removing Onion Odors

A little dry mustard or salt rubbed on the hands and then rinsed off will remove onion odors. To remove onion or fish odors from pans in which those and other odiferous foods have been cooked, wash the pans in hot soapy water to which one or two tablespoons of vinegar have been added.

Beef and Dairy Cattle

With a more even distribution of livestock numbers, improved forage and continued consumer demand, officials estimate that the country can support a beef and dairy cattle population of 95 million by 1958.

Canada Grouse

Canada grouse differs from the ruffed grouse in having smaller crests on their heads, smaller air sacs on their necks, and shorter tails, which are square at the ends. The coloration is darker and they are somewhat smaller.

A Galloping Genie

Modern genie known to steelmen as the continuous rolling mill usually picks up slabs of steel at a speed of four and a half miles an hour. Less than two minutes later it reels them off in the form of ribbons at 20 to 25 miles an hour. Higher speeds are frequently attained, however, and the type of steel sheet that ends up as tin cans has been known to travel a mile a minute.

Care of Horses

Horses should receive a massage after hard work.

A Spring Treat

By Betty Barclay

APRIL showers bring May flowers, but sometimes you wish they would bring a flock of appetizing new recipes to bridge over that period between the dark of the winter months and the daylight of spring and strawberries and rhubarb and fresh green things. Well, here's one such recipe — Chocolate Floating Island. The rich chocolate color of this luscious pudding, topped with delicately tinted pink whipped cream, is as lovely as a new spring bonnet — and twice as good.

Chocolate Floating Island

1 package prepared chocolate pudding; 3½ cups milk; ½ cup cream, whipped and sweetened; pink coloring; 1 to 3 drops peppermint extract; chocolate sprinkles

Prepare chocolate pudding as directed on package, increasing milk to 3½ cups. Chill. Place in serving dish and top with "islands" of pink-tinted whipped cream flavored with peppermint extract. Garnish cream with chocolate sprinkles. Makes 6 servings.

Atomic Energy for Railroads

Atomic scientists tell us that the energy released by splitting the atom will be harnessed for use by the railroads. This may not become practical for another 50 years, but it is certain that atomic energy will be playing a vital role in the transportation of people and goods in 2048.

Lime on the Farm

Lime has two main functions on the farm. (1) It corrects the acid and alkaline needs of the soil. (2) It supplies plant food and brings about many secondary effects which affect the growth of plants such as the immobilization of toxic substances and the increase in availability of plant nutrients. The practice of liming was known before the Christian era.

Storage of Dahlias

A cellar that will keep potatoes in good condition is a good place to store dahlia tubers. Dahlia storage needs a rather high humidity and temperatures of 40 to 50 are desirable. Many place them in shallow boxes and cover them with sand and then place in cool storage.

Copper Country

Northern Rhodesia, in the heart of Africa, now supplies about 12 per cent of the world's copper, produced by the most modern mass mining methods.

SANTA FE

Santa Fe, capital city of New Mexico, goes by only part of its complete name. Its complete name is "La Villa Real de Santa Fe de San Francisco," or "The Royal City of the Holy Faith of Saint Francis."
